

## Bloody Clash In Tibet

In Mao Drive To Weed Out His Opponents

TOKYO (AP) — Bloody clashes have broken out in Tibet, and forces opposing Mao Tse-tung have declared martial law in the Tibetan capital of Lhasa, Japanese reports from Peking said today.

Reports quoting wall posters in Peking said dissidents led by Gen. Chang Kuo-hua and his deputy, Chang Tsai-wang, beat back armed Maoist forces and seized control of the security agency, police office, Lhasa Municipal party headquarters and the People's Committee.

Wall newspapers in Peking also indicated today a sweeping purge of Red China's leading military men is under way in Mao's drive to weed out supporters of President Liu Shao-chi. They further reported a big step up the power ladder by Mao's wife.

A correspondent of the Japanese newspaper Sankei Shimbun said 25 top military men have come under fire as followers of the bourgeois, reactionary line.

Wall posters put up by the postal and telegraph workers said that Mao's aggressive third wife, Chiang Ching, has been named chairman of a new committee formed to press Mao's purge in central party and government organizations.

Her new importance was underlined by the fact that Premier Chou En-lai, who might have been expected to head such a committee, has been named to serve on it as Mrs. Mao's adviser.

Another wall poster reported a clash between Soviet and Red Chinese troops on an unspecified date on the Manchurian border. The report said a Soviet battalion opened fire on a Chinese army company and was repulsed. It said Soviet soldiers were captured but later released.

If true, this would be the first known exchange of shots between the two Communist powers since the Maoist purge began last August. Mao recently was reported to have ordered an alert all along China's border with the Soviet Union.

Among the military leaders included in the wholesale indictment were Vice Defense Minister Hsiao Ching-kuang, air force commander Wu Fan-hsien, navy deputy commander Li Tso-peng, Ulanfu, commander of the Inner Mongolian military district, and Wang En-mao, commander of the Sinkiang military district.

### Performance Monday

## Second Sedalia Symphony Presentation Successful

As the second Sedalia Symphony Concert got underway Monday evening, it was clearly discernible that Mr. Rosenthal in his choice of selections was setting a new kind of pace for audience participation. If he sought for greater feeling, understanding, and enjoyment, he succeeded. The program will long be remembered.

The masterful and descriptive quality of the "Herod Overture" (Henry Hadley Op. 31), was completely free from morbidity or excessive dissonance. Rather, there was an indestructible kind of heartiness in this rendition which has in its own right a kind of indomitable splendor. Under Rosenthal's direction a fine orchestra played with so much attention to detail, that we who listened could not help but pulsate with stunning Fortissimos, and finely delicate Pianissimos. Both the performers and the audience shared in this musical triumph.

A realization of great impact was speedily perceived, in that music is capable of expressing the entire gamut of human emotion. There is no defined cause for this emotion. It is on the other hand, the immediate effect. In this case it was the effect of "Musical Odds and Ends," and our initial introduction to the great and diversified talent of Mr. Marshall Izen, the great artist. Mr. Izen is a great talent, with a personality both

WARRENSBURG — A small plane crashed into a hedgerow while attempting to land at Warrensburg's Skyhaven Airport, Monday, killing two persons and injuring two others. The dead were Daniel L. Sylvester, 20, Sedalia, and Dixie Joan Wheeler, 18, Bethany. (UPI)

### Bethany Girl Dies

## Sedalian Is Killed In The Crash Of Light Airplane

Two young persons were killed and two others were injured in the crash of a single engine plane northwest of Warrensburg Monday afternoon. The accident occurred northeast of the Skyhaven Airport, about four miles west of Warrensburg.

One of the deceased was a Sedalian, Daniel J. "Danny" Sylvester, 20, and the two injured were from near Smithton, Pfc. Wayne Taylor, 19, and his sister, Miss Frances Taylor, 18. The other fatality was Miss Dixie Wheeler, 19, Bethany.

The plane, a 172 Cessna four-passenger model, was piloted by young Taylor, and had been rented at the Lake Saxton Airfield from Marshall Brown, who operates the airfield, according to Taylor. That airfield is located just south and west of Whiteman AFB.

Taylor told a Democrat-Capital newsman that the gas gauge was acting erratically, showing half full at one time and empty the next. He said that he saw an airfield and started to try and land the plane there (that was Skyhaven) and as he came in from the north the engine started sputtering, then stopped. "The plane dropped and settled too fast," he said.

Sheriff Harland Tempel of Johnson County, who made an investigation of the accident, said the plane hit the ground and bounced into a hedgerow, the tail in the air and the nose against the ground. During his interview Taylor indicated the plane had struck a hedge fence, and Sheriff Tempel said that it could have been possible since there is a hedgerow to the north. The plane may have hit the open field and bounced into the hedgerow, but Tempel said he planned to check further to

determine if this had actually occurred. After the crash, Miss Taylor, who was able to walk, went to a farm home some distance away and reported the crash. Her brother, who also got out of the plane, reportedly walked nearly three-fourths of a mile on two fractured ankles and was found by W. H. Hopkins, a farmer who resided in the area.

According to the reports, no one saw the plane crash.

The scene of the crash was difficult for ambulances to get to and an employee of Sweeney-Phillips Funeral Home reported they drove over about 160 acres of land following the directions given them, only to have to turn back and take another route to get in on the farm on which the plane had come down.

Both Taylor and his sister were in shock when picked up and were first taken to Warrensburg.

Miss Wheeler was sitting in the passenger seat beside the pilot and was pinned in the plane. It took approximately an hour to free her body from the twisted wreckage.

Sylvester, it was reported, was riding in a rear seat beside Miss Taylor and was thrown clear of the plane. A watch believed to have been his was found to have stopped at 12:37 p. m. Authorities received the call about 1:10 p. m.

Pfc. Taylor and his sister were taken to Warrensburg to the Johnson County Medical Center and given emergency treatment and then removed to Bothwell Hospital, Sedalia in a Sweeney-Phillips Funeral Home ambulance. The bodies of Sylvester (Please turn to Page 4, col. 7)

Jefferson City (AP) — Two of Governor Warren E. Hearnes' major school bills moved ahead in the Missouri Senate Monday and one passed the House.

Passed and sent to the Senate 144-10, was a bill to provide state aid to kindergartens at an estimated cost of \$5,162,100 the first year.

The Senate advanced a similar bill to position for passage on a 31-1 vote. Also moved ahead was a bill to liberalize the school foundation program formula by \$9,975,000 a year.

But one to allow fast growing districts to count current year estimated attendance in figuring state aid, instead of last year's actual figures, ran into trouble and had to be laid over.

The House also gave first round approval to a bill to extend liquor sales to 1:30 a. m. Sunday on a statewide basis instead of the Saturday midnight closing required outside of Kansas City and St. Louis.

But a bill recommended by the governor to increase maximum unemployment compensation payments to one-half the average weekly wage in the state encountered opposition. It was finally advanced, however, on a close vote.

### Ex-Sedalian, Newspaperman, In Retirement

Monday night the House chamber and the Capitol halls were jammed with 15 busloads of people from Kansas City and St. Louis. They came to urge support of a bill recommended by the governor to let unemployed fathers live at home and still allow the family to get aid to dependent children.

Welfare Director Proctor N. Carter said the present law is a failure and often tends to keep families apart instead of together.

No immediate action was taken. Similar bills have run into strong opposition in the Senate in the past.

Earlier Sen. A. Clifford Jones, R-Clayton, sought to have a workman's compensation bill returned to the House on grounds seven St. Louis Democratic representatives who live outside their districts had voted for it illegally.

## Air Warfare In Full Swing; Two Planes Claimed Down

North Korea, China In Full Support of Viet Cong

SAIGON, South Vietnam (AP)—The air war returned to full swing today on both sides of the border. U.S. fighter-bombers pounded railways and other supply routes in North Vietnam. Radio Hanoi declared two planes were shot down. U.S. Navy vessels attacked North Vietnamese shipping.

Peking and Pyongyang broadcast pledges of continued support for the Viet Cong from Red China and North Korea. The messages to the guerrillas were signed by Defense Ministers Lin Biao of China and Kim Chang Bong of North Korea.

### Showdown On Sukarno Is Apparent

Opponents Would Force Retirement Prior To Downfall

JAKARTA (AP) — One of army strongman Gen. Suharto's top deputies indicated today that a showdown in the struggle to force President Sukarno to retire may be imminent.

Maj. Gen. Alamsjah said an answer to new military proposals to end the power struggle may be forthcoming tonight.

"There will be no more missions, no more talks," he declared. "The decision has been taken. We are just waiting for the answer."

Military leaders and Cabinet ministers have repeatedly urged Sukarno in recent weeks to step down before he is dragged down. The president has shown no sign of complying and gave every indication at a palace reception today that he would remain in Jakarta to continue his fight to hold the presidency.

Gen. Abdul Haris Nasution, the chairman of Congress, in a broadcast statement Monday night accused the president of being a Communist sympathizer and knowing in advance of the attempted Red coup Oct. 1, 1965.

Nasution's statement, read over Radio Jakarta, was in answer to a challenge from Sukarno to the general to explain his own actions at the time of the attempted coup. Nasution was then defense and security minister.

The general charged that shortly before the coup, Communist party Chairman D.N. Aidit attempted to swing army Brig. Gen. R.H. Sugandhi over to the Communist side by telling him of the plans.

"All this is known by Sukarno," Nasution quoted Aidit as saying. Aidit was killed during the bloody suppression of Communists after the coup.

### Secret Relationship

## Student Group Affiliated With CIA, Report Shows

WASHINGTON (AP) — A student organization affiliated with most of the nation's major colleges today disclosed that it had a secret relationship with the Central Intelligence Agency for more than 10 years.

During that time the CIA contributed "substantial funds" to the organization — the National Student Association — to help finance its overseas activities.

"The relationship apparently originated because the Central Intelligence Agency believed that a strong American national union of students acting internationally was in the national interest," said a spokesman for the NSA.

Ramparts magazine put the spotlight on the covert relationship between the nation's top intelligence agency and a student organization with 300 college affiliates.

Full-page advertisements by the magazine announcing a forthcoming article were carried in the New York Times and Washington Post today, touching off frenzied activity in the Washington headquarters of the NSA.

There was no immediate comment here on Hanoi's story of the downing of two planes. If confirmed, the official list of American losses north of the border would rise to 475.

In South Vietnam allied forces reported only light contact with the enemy, but U.S. Air Force and Marine pilots flew a near record 535 sorties in support of sweeping infantrymen Monday. The American record for one day of such single combat flights in South Vietnam is 549, set last Jan. 13.

U.S. spokesmen also announced that seven men of the U.S. 1st Cavalry Airmobile Division were killed and four were wounded Monday night when five rounds of their own artillery landed among them.

The spokesmen also announced that one man of the U.S. 4th Infantry Division was killed Sunday and 14 were wounded when a U.S. plane's bomb went astray during an operation.

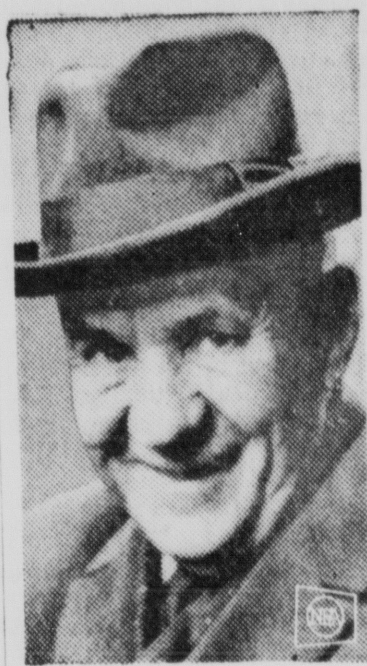

### The Weather

Fair to partly cloudy, windy and unseasonably warm tonight. Increasing cloudiness Wednesday with a few showers and thunderstorms likely by afternoon. Rather warm on Wednesday but turning cooler late in day and considerably colder Wednesday night and Thursday. Lows tonight in low 50s. Highs Wednesday in middle to upper 60s. Precipitation probability tomorrow about 40 per cent.

The temperature Tuesday was 52 at 7 a.m., and 62 at noon. Low Monday night 50.

The temperature one year ago today was high 36; low 18; two years ago, high 47; low 21; three years ago, high 48; low 21.

Lake of Ozark stage: 56.1 feet; 3.9 below full reservoir; up .1.

SOVIET PREMIER Aleksei Kosygin ended one week of high-level talks with British Prime Minister Harold Wilson by saying he was certain there could be a peaceful settlement in Viet Nam. Wilson agreed, but the two remained deadlocked as to the method of ending hostilities, when the Soviet premier returned to Moscow. (NEA)

### Burn-Off Opens With Fireworks

Ozarks Region In Good Shape, Commission Says

JEFFERSON CITY (AP) — Missouri's spring burning season opened Monday with a lot of fireworks, the State Conservation Commission reported today.

The only area that got off in good shape was in the eastern part of the Missouri Ozarks region, including the Perryville area, Sam A. Baker, Deer Run and Eminence districts. Only a few fires were reported there and they were quickly put out.

But humidity as low as 15 per cent and temperatures as high as 70 degrees with winds ranging in gusts above 30 miles an hour kept the fire crews busy in other areas.

And Kermit Hafner of the commission's forestry division said today looked pretty much like a repeater.

Generally, losses to the woods and fields were held to a minimum because equipment was in good shape after winter repairs and the fire crews were rested.

The Lake of the Ozarks district, for years the worst in the state, retained that record with lots of fires, primarily in Benton and Morgan counties. Many were roadside sets, the work of firebugs, Hafner said.

The majority of the fires were brought under control by midnight but some were still burning today.

### Rush Supply Stores South During Truce

Enough To Support 10,000 Man Group For 250 War Days

WASHINGTON (AP) — The North Vietnamese used 3,770 trucks and vessels to rush at least 25,000 tons of ammunition and equipment toward South Vietnam during the bombing pause, the Defense Department said today.

This was calculated to be enough to support a 10,000-man division in combat for 250 days, a spokesman said.

In the 96 hours of the Tet truce, the Communists were able to transport more war material southward than they had in any previous 30-day period, the spokesman said.

Meanwhile, Vietnam peace prospects appeared at their lowest level in two months today as Monday's resumption of the U.S. air war against the North ended weeks of optimistic speculation.

U. S. officials said peace efforts had receded to their pre-Christmas position.

President Johnson, in announcing the resumption of bombing late Monday, said he had hoped the cease-fire during the lunar new year "might lead to some abatement of hostilities and to moves toward peace."

But he said the North Vietnamese had used the pause "for major re-supply efforts of their troops in South Vietnam."

Johnson apparently referred to Sunday night's meeting in London between Soviet Premier Alexei Kosygin and British Prime Minister Harold Wilson when he said: "Despite our efforts and those of third parties, no other response has yet come from Hanoi."

Johnson earlier had indicated determination to resume the air war in the absence of any North Vietnamese easing of military activity.

But the North Vietnamese insisted on a halt in U. S. bombing and withdrawal of troops before peace talks could get started.

### Plan Jaycee Meet Here In February

The Jaycees State Winter Board Meeting will bring between 400 and 500 people to Sedalia Feb. 24, 25 and 26, including Bill W. Suttle, president of the United States Jaycees.

The national president, who is 32, is from Greensboro, N.C., but during his presidency is in Tulsa, Okla., where the national Jaycees headquarters is located.

Gary Cooper, Chamber of Commerce executive manager, has been working the past few weeks in the interest of this Presidents Round Table Board meeting.

Such board meetings and conventions are important to Sedalia, Cooper stated, and he stressed the point that organizations should bring them here whenever they can. It is part of his job, Cooper pointed out, to help all organizations with their conventions to be held in this city and any planning such meetings should feel free to call on the Chamber to assist them in any way possible.

### \$49,087 Federal Grant To Sedalia

The Office of Education has approved \$49,087 in a federal grant for Sedalia School District No. 200 to offset the impact of Federal installations in the area.

The telegram comes from Washington, D. C., and is signed Stuart Symington, U. S. Senator; Edward V. Long, U. S. Senator; and William J. Randall, M. C.

### Die Of Injuries

CARLYLE, Ill. (AP)—A Missouri couple died Monday evening of injuries received in a car-truck crash on Illinois 50 at the west edge of Carlyle, Ill.

Dead are Albert Freuler, 76, and his wife, Elva, 77, of Neosho, Mo.

## Ann Landers

Answers  
Your  
Problems

Dear Ann Landers: I thought I had heard everything when all those nuts wrote in to tell you they sang at their own weddings and "everyone just loved it." Today I ran across some more evidence that people are getting huggier by the minute: I see by the South Portland-Cape Elizabeth Journal that commencement exercises were held for dogs. The place was packed with proud "parents."

Down the aisle pranced a poodle, a collie, a Doberman, and so on — all wearing the

traditional mortar board with hanging tassels. These dogs had completed their obedience classes and were presented with ribbon-tied diplomas. Their masters were as puffed up as if a son or daughter had made Phi Beta Kappa.

I am enclosing the newspaper story, complete with picture to prove that I am not hung over from New Year's. Thank you.—STEADY READER

Dear Steady: To those who insist that education is going to the dogs, what better proof do you need? Thanks for my laugh for the day.

Dear Ann Landers: I'm a boy 17 years old. My parents were divorced two years ago. Last year my mother remarried. My stepfather was very good to me until he began to slap my mother around. When I tried to protect her he would get mad at me for butting in and I'd catch it, too.

One night he knocked out Mom's two front teeth and she left him. Two months later they made up, he paid for some new teeth, and then he knocked them out. They went back together three days before Christmas, but on Christmas Eve he hit her again. I told Mom if she went back to him again I was going to live with my Dad and his new wife.

I packed and left, only to find that my Dad and stepmother were fighting just like Mom and her second husband. I miss my school and my friends and I want to go back home but I can't decide if I should. Please tell me what to do. — BATTLE FATIGUE

Dear B.F.: It sounds as if one place is as bad as the other, and there's nothing you can do about it, so you might as well be with your friends and schoolmates. It's a sad commentary when a 17-year-old boy has to write such a letter. I hope every pair of battling parents reads it and feels ashamed.

Dear Ann Landers: My husband and I have been married

Fidelis Class of the East Sedalia Baptist Church meets at the church for a covered dish luncheon served at noon. The business meeting and program will be held at 1:30 p.m.

## Overland North Pole Trip Planned

EDMONTON, Alta. (AP) — For the first time since Adm. Robert E. Peary accomplished the feat in 1909, an eight-man group is planning an overland expedition to the North Pole.

Peary made the trip with dog teams. The seven Americans and one Canadian will use the latest refinements in transportation, food and clothing when they set out in March on their 15- to 20-day journey from Eureka on Ellesmere Island, some 800 miles from the North Pole.

They will travel on lightweight motorized toboggans, fitted with special linings that will float if they break through ice. A plane, operated by Welland Phipps of Resolute, Northwest Territories, will keep radio contact and will pick them up when they reach the pole.

The expedition will conduct medical tests and hydrographic and weather studies and assess equipment, foods and clothing materials. A color film record will be kept.

Ralph Plaisted, 38, of Minnesota leads the expedition. Cpl. John Austad, 35, a survival expert in the Canadian air force, will be weather and ice adviser and backup radio operator.

Dr. Arthur Aufderheide, 'Duluth, Minn., will study the effect of cold on cholesterol. The others are Donald Powellek, an electronics engineer; radar and radio operator Blair Woolsey; navigator Gerald Pitzil, me-

PROMOTED — Jerry D. Newby has been appointed as sales representative-retail for Standard Oil in the Sedalia area. Announcement was made by W. D. Huston, district manager, Standard division of American Oil Co. Newby joined Standard Oil's sales training program after receiving a degree in business administration from Kansas State Teachers College. He is a native of Wichita, Kan. He is married to the former Miss Lorna Carole Swenson of Eskridge, Kansas.

chanic Walter Pederson and cameraman Robert Clemens.

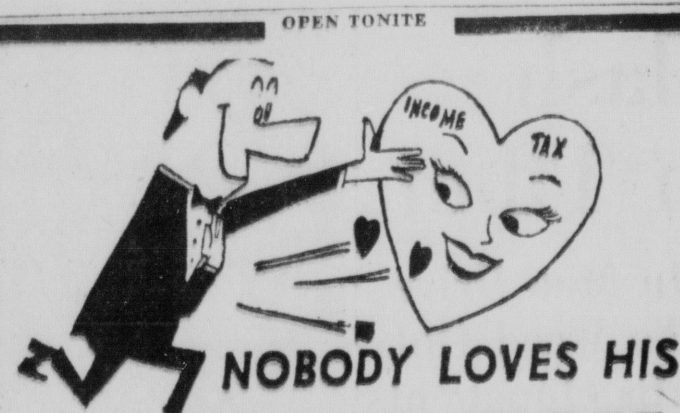

Chain saws and explosives will be among the equipment pulled by the expedition's toboggans on sledges weighing up to 500 pounds apiece.

Since Peary's expedition, the pole has been visited by aircraft in 1926 and by nuclear submarine in 1958 and 1959.

## Hot Meals Provide Sense Of Well Being

LOS ANGELES (AP) — A researcher says "good hot meals will provide the sense of well-being" for astronauts on future flights lasting years. Dr. Howard E. Bauman, an official of the Pillsbury Co., said "the foods will have to be a bit thicker and certain safeguards will be necessary."

He said his firm has learned how to put 25,000 calories, representing 44 different and nutritionally balanced meals into a "medium-sized box." He added that the box would feed one man for 10 days, and could be stored for years.

## OBITUARIES

### Howard E. Winfrey (Sedalia)

Howard E. Winfrey, 66, 414 North Hurley, died at Bothwell Hospital at 11:30 p.m. Monday. He was taken to the hospital after he became ill at his home.

Mr. Winfrey was born in Johnson County, near Knob Noster, Nov. 27, 1900, son of the late Albert G. and Mary Jane Corigan Winfrey. His early life was spent in the Knob Noster and LaMonte areas. He lived in Sedalia since 1929.

Mr. Winfrey was the business representative for the Carpenter's Local in Sedalia.

He was married in April 1921 to Miss Edna Pummil. They were the parents of three children. One daughter, Jo Etta Winfrey, died, July 21, 1936. Mrs. Winfrey died, May 19, 1950. He was married at Sedalia, June 2, 1951, to Mrs. Loueva Reese.

A brother, Albert Decker Winfrey, died in 1960.

Mr. Winfrey was a member of the Bethany Baptist Church.

He is survived by his wife, Mrs. Loueva Winfrey; one son and one daughter by his first marriage, Howard Dean Winfrey, Sedalia; Mrs. Ed (Rosemary) Gehlken, 118 East Seventh; one brother, Ray Winfrey, Hughesville; two sisters, Mrs. Joe Pummil, 1706 South Osage; Mrs. Chester Holt, Forsyth; and seven grandchildren.

Funeral services will be held at the Ewing Funeral Home at 1 p.m. Thursday. The Rev. August Williams, pastor of the Bethany Baptist Church, will officiate.

Burial will be in the Memorial Park Cemetery.

The body is at the Ewing Funeral Home.

### Daniel J. Sylvester (Sedalia)

Daniel J. Sylvester, 20, 803 East 13th, was killed when a single-engine airplane crashed six miles northwest of Warrensburg Monday afternoon.

He was born at Sedalia, Dec. 29, 1946, son of Melvin J. and Lillian Richardson Sylvester. He lived all of his life in Sedalia. He received his elementary education in the Sedalia schools, attending Whittier Grade School. He graduated from Smith-Cotton High School in 1964. He was a member of St. Paul's Lutheran Church.

He operated a barber shop on South Limit Avenue.

He is survived by his parents, Mr. and Mrs. Melvin Sylvester, 803 East 13th; one brother, William J. Sylvester, Kansas City; two sisters, Miss Elizabeth J. Sylvester and Miss Carol Ann Sylvester, both of the home; and a nephew, Joseph James Sylvester, Kansas City.

Funeral services will be held at St. Paul's Lutheran Church at 3 p.m. Thursday. The Rev. Walter F. Strickert, pastor, will officiate.

Burial will be in the Memorial Park Cemetery.

The body is at the Ewing Funeral Home.

### Mrs. Perdita Smith (State Of Calif.)

Mrs. Perdita (Gregory) Smith, 76, National City, Calif., died there Sunday. She had resided in California for 16 years.

She was born near Green Ridge, Oct. 11, 1890, daughter of the late Samuel P. and Mildred White. She spent most of her life in the Green Ridge community until moving to California.

Surviving are her husband, of the home; two sons, Herbert Gregory Jr., Lancaster, Tex.; and Keith Gregory, St. Louis; five grandchildren and several nieces and nephews.

Graveside services will be held at 2 p.m. Wednesday at the Green Ridge Cemetery with the Rev. Howard H. Lewis officiating.

Pallbearers will be H. H. Ream, Melvin Ray, Ebert Close, Floyd Brownfield, John Purchase and Jesse Wear.

Arrangements are under the direction of the Heck Funeral Home, Green Ridge.

### Lacey C. Beutler (New Market, Iowa)

Lacey C. Beutler, 68, died unexpectedly at his home in New Market, Iowa, Sunday.

Born in California Aug. 7, 1898, he was the son of Henry and Rosa Holzer Beutler. On Oct. 7, 1923, he was married to Rose Siebert of McGirk. They left California in 1930 and lived for a while in Nodaway County in north Missouri later moving to New Market, Iowa. He was a farmer and a member of the United Church of Christ in California.

Surviving are his wife of the home; one son, Clifford Beutler, Topeka, Kan., two daughters, Mrs. Marilyn Young, Topeka and Mrs. Beverly Morris of the State of California, four grandchildren, two brothers, James Beutler and Herman Beutler, California; one sister, Mrs. Albert Yost, Marshall.

He was preceded in death by his parents, one sister and three brothers.

The body will arrive in California at 10:30 a.m. Wednesday at the Bowlin Funeral Home.

Funeral services will be held at 2 p.m. Wednesday at the Bowlin Chapel with the Rev. Marvin Kirchhoff to officiate.

Jack Bowlin will be soloist accompanied by Mrs. J. D. Branch at the organ.

Pallbearers will be: Layton Reed, Clarence Volkart, Clarence Loesing, Harvey Churnside, Herbert Books and Oscar Hoffmeyer.

Burial will be in the City Cemetery.

### Mrs. Lewis C. Martin (Knob Noster)

Mrs. Lewis C. Martin, 68, Route 1, Knob Noster, died at the Feagan Nursing Home, Warrensburg, Saturday after an illness of seven months. She had been a patient at the home for two months.

The former Pearl Mae Gowin, she was born in Moundville, March 16, 1898, daughter of the late Ulysses Grant and Mary Taylor Gowin. On Oct. 8, 1918, she was married to Lewis C. Martin in Warrensburg. He survives of the home.

She spent 40 years in the Montserrat community and was a member of the Mt. Zion Baptist Church.

Surviving are two daughters, Mrs. J. A. (Juanita) Armstrong, Beloit, Wis.; Mrs. John (Wenona) Angler, Rantoul, Ill.; her husband of the home; four sons, Marvin F. Martin, Elk City, Kan.; Dayton R. Martin, Route 1, Knob Noster; Lewis Martin, Jr., Janesville, Wis.; and Charles E. Martin, Route 1, Knob Noster; two sisters, Mrs. Grace Baker and Mrs. Clara Crate, both of Kansas City, Kan.; three brothers, Delmer Gowin, Independence; Orville Gowin, Welch, Colo.; and Alonzo Gowin, Knob Noster; 13 grandchildren.

She was preceded in death by a son, Glen Edward; and a daughter, Leona Payne.

Funeral services were held at 2 p.m. Tuesday at the Montserrat Methodist Church with Dr. Vernon E. Taylor officiating.

Burial was in Sunset Hill Cemetery, Warrensburg.

## Funeral Services

### Patricia Joan Stone

Funeral services for Mrs. Patricia Stone, 42, 224 West Ave., who died at Bothwell Hospital Sunday afternoon, were held at the Ewing Funeral Home at 11 a.m. Tuesday. The Rev. J. R. Wallace, pastor of The First Baptist Church, officiated.

Mr. Raymond Hall sang, "Take My Hand, Precious Lord" accompanied by Mrs. Raymond Hall at the organ.

Pallbearers were Eugene Ball, Ronald Ball, Eugene Cook, Earl Beaver, Clyde Swafford and Dick Snow.

Burial was in the Meadville Cemetery. Rev. William Brock, pastor of the First Baptist

## Denies Any Report Of Beatings

By ROBERT L. SHAW  
Associated Press Writer  
LITTLE ROCK, Ark. (AP)—Gov. Winthrop Rockefeller denied Monday that he told Oregon Gov. Tom McCall that three inmates had been "beaten unconscious" by convicts because they talked with legislators investigating the state's prison system.

McCall, according to a transcript of a locally televised newscast Sunday, said that Rockefeller had made the remark during a telephone discussion over the extradition of four Arkansas prison escapees who were captured in Oregon.

It created a furor in the Arkansas House and overshadowed Rockefeller's announcement that Thomas O. Murton, a penologist on the faculty of Southern Illinois University, had been appointed assistant prison superintendent in charge of Tucker Prison Farm.

Tucker has been the subject of investigation since Rockefeller's release of a state police report in which convicts told of torture, extortion and traffic in liquor and narcotics.

The House went into what is thought to have been only its second executive session since about 1925 to discuss McCall's remark, but quickly voted itself out without taking action after Rep. Ray S. Smith Jr. of Hot Springs said the session would be hard to explain to the public.

### Unlicensed MD Has Gained Postponement

CARTHAGE, Mo. (AP) — A man who maintained an unlicensed medical practice in Jasper, Mo., for several months last year won postponement of his preliminary hearing Monday until Feb. 27.

The charge against Marion Lee Langford, 34, is stealing by deceit and fraudulent misrepresentation. He allegedly obtained a \$2,000 loan from the Bank of Carthage by representing himself as a doctor of medicine.

Church at Meadville officiated at the graveside services.

### Dixie Waterfield

Funeral services for Mrs. Dixie D. Waterfield, 1104 East Fifth, who died at Bothwell Hospital Sunday evening, will be held at the Ewing Funeral Home at 3 p.m. Wednesday. The Rev. Medford E. Speaker, pastor of the East Sedalia Baptist Church, will officiate.

Pallbearers will be Jack Morgan, Floyd Pohl, Mike Seigel, Edward Daugherty, James Seigel and Larry Waterfield.

Burial will be in the Clark Chapel Cemetery at Franklin, Mo.

The body is at the Ewing Funeral Home.

### Mrs. Mary Jackson

Funeral services for Mrs. Mary A. Jackson, 28, 1118 East Tenth, who died at the University of Missouri Medical Center at Columbia, Sunday evening, will be held at the Ewing Funeral Home at 1 p.m. Wednesday with the Rev. Russell Bellamy, pastor of the Mt. Herman Baptist Church, officiating.

Pallbearers will be Jack Hawkins, James Robert Shepherd, L. A. Cramer, Earl Jack Crawford, Guy Woolery and Joe Smealana.

Burial will be in the Crown Hill Cemetery.

The body is at the Ewing Funeral Home.

### Mrs. Emma Hunter

Funeral services for Mrs. Emma A. Hunter, 86, Glasgow, formerly of 2401 East 12th, who died Sunday morning at the Keller Memorial Hospital in Fayette, were held at 2 p.m. Tuesday at the Gillespie Funeral Home with the Rev. Cleo Gray officiating.

Burial was in Crown Hill Cemetery.

### Anna Louise Jansen

Funeral services for Anna Louise Jansen, 61, Sweet Springs, who died Sunday, will be held at 2 p.m. Wednesday at the Immanuel Lutheran Church with the pastor, the Rev. John Domsch, to officiate.

Burial will be in the Fairview Cemetery.

The body is at the Miller Chapel, Sweet Springs.

### Claude R. Silvey

Funeral services for Claude R. Silvey, 61, Gravois Mills, who died Sunday, will be held at 2 p.m. Wednesday at the Ozark Chapel Methodist Church, Laurie, with the Rev. J. H. Thornberry to officiate.

Burial will be in the Ozark Chapel Cemetery.

The body is at the Kidwell Funeral Home, Versailles.

PANCAKE DAY—Saturday was Pancake Day at the Sacred Heart Cafeteria as local Kiwanians dished up hundreds of plates of pancakes and ham to hungry customers. Benefits go to

local community boys and girls work. Above, over the hot stove are, left to right, Bob Gardner, Dr. A. L. Campbell, Gene Landon and Herb Taylor. (Democrat-Capitol photo)

Poe, Syracuse; William Bass, Smithton; Mrs. Robert L. Wittman and daughter, 1405 South Quincy; Mrs. David Veltan and son, 711 East 13th.

### Police Reports

Police received a report from Jim Rau, manager of U. S. Rents II, 530 East Fifth, Monday afternoon, that two trailer tires had been slashed while on a trailer at his store. The value of the tires was set at \$40. Police are investigating.

Norma Jean Dirck, 36, 612 East 11th, reported to Sedalia police at 6:47 a.m. Tuesday she was struck by an unknown assailant as she entered her home about 6:15 a.m. She had apparently just returned from work at the Sedalia Cab Co.

Police reports indicate no signs of forced entry were found at the home, nor was anything reported missing.

Bothwell Hospital authorities said the woman had received treatment there for a scalp laceration and was then released. Police said the woman had no idea who had allegedly struck her.

About \$26.50 in goods and cash were reported stolen from the William F. Barnes residence, 316 East Tenth, at 8:48 p.m. police entry Monday stated.

Taken were a carton of cigarettes and \$25 in cash, police said. Their report stated a hole had been broken in the back door, allowing the night lock to be turned in order to gain entry. Drawers were ransacked and their contents strewn throughout the residence, the police report said.

### Accidents

A minor accident which occurred last Friday in the 100 block of Seventh involving a 1963 Ford, which was reportedly driven by Alvin Vanbelle, 2304 West Fifth, was incorrect. The Ford was parked headed west, instead of being driven west on Seventh.

No injuries were received by the 23 students of High Point school in an accident involving the school bus they were riding and a passenger car which collided about 3:55 p.m. Monday, about two and a half miles south of Sedalia on U. S. Highway 65.

The school bus, owned by the High Point School District, was driven by Leroy Ervin Dent, 62, of 152 Autumn, and was headed south making a left turn into the private driveway of the Cover Construction Co. The automobile was a 1965 Oldsmobile sedan driven north by Hilram Edward Woods, 47, of 411 Hillcrest, Windsor.

According to Trooper William Southwick, of the State Highway Patrol, Dent was driving in on the Cover property to make a turn around. Woods reported he did not see the bus until he came up over the rise in the road, pulled to the left in an endeavor to miss crashing into the bus and the car went into a skid, the rear end hitting the rear end of the bus.

Minor damage resulted to the right rear of the car. Additional damage occurred to the car when it went through two fences. Woods escaped injury.

Both vehicles were driven from the scene under their own power.

### Sheriff Report

Joseph E. Schader reported to Sheriff Emmett Fairfax, Monday, that a vacant farm house owned by him at Route 1, Mora, had been broken into and a garden tiller, valued at \$125 was taken. He also stated that a dog suffered a broken leg and had to be destroyed. The sheriff is investigating.

### Circuit Court

Judith Ann Stroehmer, 18, 707 West Second, changed her plea from innocent to guilty in Circuit Court Tuesday on a charge of stealing over \$50 and was sentenced to two years in the custody of the State Department of Corrections. Circuit Judge Frank Hayes, on the recommendation of Pettis County Prosecuting Attorney Henry Keeler, accepted an application of parole, however, setting the girl free under conditions of parole yet to be set.

The girl was originally charged with first degree robbery and second degree burglary, but these two charges were nolle prossed by Keeler. When she was arraigned Feb. 10, Miss Stroehmer entered pleas of innocent to all three charges. Only the charge of stealing over \$50 was in question Tuesday.

The defendant was represented by J. R. Fritz.

Darrell McMillian was granted a divorce from Sharon McMillian in Circuit Court Monday. William F. Brown was attorney for the plaintiff.

A petition for divorce was filed in Circuit Court Monday by Mary E. Luther, a minor, against Frank Martin Luther.

THURSDAY  
Houn-Daw Whirlers Square Dance Club will hold an old-fashioned box supper in connection with their dance at the Armory in Warrensburg. Ladies are requested to bring a decorated box of goodies to be auctioned off to the highest bidder. Charles Judd, caller. All western style square dancers are invited.

### Directors Re-Elected

The annual meeting of the California Central Loan, Building, and Savings Association was held on Tuesday evening, Feb. 7.

The following officers were re-elected: Roy Handley, president; Forrest Katchman, vice-president; Marion R. Shores, treasurer; R. L. Hert, secretary.

Directors re-elected for a three-year term were Roy Handley, A. E. McDaniel and Marion R. Shores. Shores was also appointed as chairman for the Real Estate Committee and Harry G. Allee as chairman of the Building Committee.

James T. Buckley is the attorney for the plaintiff.

John Owen Gross, charged with passing on a hill, was found guilty in Circuit Court, Monday, and was fined \$25 and costs. The case had been appealed after a Magistrate Court conviction last year.

A petition for divorce was granted in Circuit Court Monday to Beulah H. Keller from Charles W. Keller. Thomas Keating was the attorney for the plaintiff.

Petition for divorce was filed in Circuit Court Monday by Lillie B. Lee against Isaac Lee. Attorney for the plaintiff is J. R. Fritz.

A petition for divorce was granted in Circuit Court Monday to Bonnie Caldwell from Jimmie N. Caldwell. William F. Brown was the attorney for the plaintiff.

### Fires In City

The Sedalia fire department was called to 1214 South Mildred at 8:20 a.m. Tuesday. A grass fire, started by burning trash, was in progress. No damage was reported.

The Sedalia Fire Department was called to 201 East Saline at 12:32 p.m. Monday to extinguish a grass fire which was started from some trash which was being burned in the area. No damage was listed.

The Sedalia Fire Department was called to 1604 South Vermont at 2:48 p.m. Monday, the residence of Howard Robinson. The fire was caused by grease on the stove which caught fire. Damage was listed as slight.

The Sedalia Fire Department was called to 403 East Broadway at 4:01 p.m. Monday where some burning trash set fire in the backyard to some grass. There was no damage reported.

The Sedalia Fire Department was called to 403 East Broadway at 4:01 p.m. Monday. A small fire believed caused by a cigarette being tossed into some grass set fire to a fence. Damage was slight.

## Executive Speaks At Rotary Club

In observance of Boy Scout Week, Feb. 7-13, which celebrates Scouting's 57th anniversary, Robert M. Mills, Boy Scout Executive for the Lake Ozarks Council, gave a report to the members of the Sedalia Rotary Club on Feb. 13 on the activities of the council and the building of the new Hohn Boy Scout Reservation south of Versailles.

Scouting, which began in February, 1910, is serving five million boys today, and through the years has served more than 40 million boys.

During the past year, according to Scouter Mills, Lake Ozarks Council registered the greatest gain in members and clubs of all councils west of the Mississippi.

Last year the Hohn Scout Reservation was partially developed and served more than 500 Council scouts. This year greater development is underway and 39 scout troops have registered for attendance at the summer camp and about 1000 boys will participate in camp activities, Mills stated.

The speaker was introduced by Don Morton, February program chairman.

Lou Temple, president, presided over the meeting. The Rev. J. R. Wallace gave the invocation and Elmer McClung led in group singing, with Mrs. Lillian Maynard as pianist.

Guests introduced by Robert Phillips were: Ron Stewart, of Springfield, guest of Arnold Fischer; R. C. Madill, Clinton, guest of Boyd Massey; and student guests Bill Maunders and Dennis Eding, of Smith-Cotton High School and Jack Hurley and Jack Rouchka, of Sacred Heart High School.

### Smithton To Crown Homecoming Queen

Miss Colleen Meyer, daughter of Mr. and Mrs. G. W. Meyer, Mora; Miss Carol Twenter, daughter of Mr. and Mrs. Don Williams, Route 2, and Miss Stephanie Gieschen, daughter of Mr. and Mrs. Nolen Gieschen, Smithton, are candidates for the 1967 Homecoming Queen at Smithton.

One of these girls, who were chosen by the basketball team, will be crowned at 8:15 p.m. Friday, Feb. 17 at Smithton High School Homecoming.

The B-Team game will begin at 7 p.m. with the crowning following and the varsity game beginning at 8:30. The opponent is Prairie Home.

Graduates are urged to attend. Alumni will be recognized at the half-time of the varsity game.

### Host Annual Meet Of Local Council

The Missouri State Bank will host the annual meeting of the Pettis County University Extension Council on Wednesday at 7:30 p.m. at the State Fair Restaurant.

According to Cloyce Wilson, Chairman, ten new members were elected in January. After re-organization of the Council Wednesday night, the new members and the new officers will take office March 1.

The Pettis County University Extension Council is made up of 20 elected members representing all parts of the county.

Each of the three major farm organizations have one appointed member, the Mayor of Sedalia appoints a member and another member is appointed by the Pettis County Court.

### Local Moose Plan Pizza Supper

The Sedalia Moose will hold a pizza supper Sunday, Feb. 19, for members and prospective members at Moose Hall, Third and Lamie.

An entertaining film will be shown following the supper.

Those who are not members of the Moose who would like to attend may contact Thomas McNally, Bud Michaels or Larry Riley.

### Named As Directors

Harold Stoll, Marshall, was elected secretary-treasurer of the University of Missouri Alumni Assn. on Feb. 10 at a barbecue and program held in Columbia.

Named as directors were Jack Smith, Otterville, district five; and Dr. Charles Monsees, Sedalia, district nine.

Elections concluded Ag Day, the final event of Ag Science Week held annually at the University to focus attention on the importance of science in agriculture.

### Set Nurses Meet

The Tenth District of Missouri State Nurses' Association will meet Feb. 21, 6:30 p.m. in Apprill's Oak Barn, Higginsville Junction of Highway 13 and I-70.

# Lloyd Can Still Make Them Laugh

By BOB THOMAS  
AP Movie-Television Writer

HOLLYWOOD (AP) — "I lost a generation by staying off the screen," says Harold Lloyd, "so I decided to see if I could still make young people laugh."

He can. That has been abundantly proved with showings of "Harold Lloyd's Funny Side of Life" at university campuses throughout the country. The laughter demonstrated that the 73-year-old comic's way with a gag remains as surefire as it was during his heyday on the screen in the 1920s and 1930s.

"Yes, it has been just splendid; I'm delighted with the reaction," remarked Lloyd, who has never lost his boyish zest for everything he does. "I went out with a film that included a half-hour of prologue, including some of the gags from various pictures, and then the whole of 'The Freshman.' That as a satire of college life which I made in 1925, and it still seems to apply today.

"The picture has shown at about 12 universities, and I have appeared at five of them. I run the picture and then I hold a symposium. I encourage the students to speak their minds. My goodness, they certainly do!"

"I showed the picture at Champaign, Ill., to the National Student Congress, and I never had a better reaction. Afterwards they were questioning me about Ronald Reagan and they asked if I had thought about going into politics.

"When I told them no, one student said, 'Well, if you ran tonight, I know you would win!'"

With the death of Buster Keaton and Stan Laurel and the advent to Europe of Charlie Chaplin, Harold Lloyd has become the last star of the screen's great era of comedy to remain on the Hollywood scene. Except for an abortive return in Preston Sturges' "Mad Wednesday" in 1950, he hasn't appeared in a movie since "Professor Beware" in 1938.

He continues to live in his Benedict Canyon showplace-mansion, the likes of which today's stars dream about but can't afford.

But Lloyd refuses to be a mere relic of Hollywood's glorious past. Occasionally he has re-edited his old classics for showings in art houses and at film festivals. The reaction from the universities has proved his biggest recent enthusiasm.

"Right now I'm deciding what to do next," he said. "The concert-type appearance at the universities is a tremendous field."

## New Call To 'Bury' Prejudice

WASHINGTON (AP) — President Johnson and Vice President Hubert H. Humphrey have called anew for Americans to bury racial prejudice. Johnson called it "man's ancient curse and present shame."

The chief executive addressed several hundred chilled listeners Sunday at the Lincoln Memorial on the 158th anniversary of Abraham Lincoln's birth.

Speaking from the steps of the memorial — with the famous statue of a brooding Lincoln as a backdrop — the President said "the true liberators of mankind have always been those who showed men another way to live.

"In what he did to lift the baleful burden of racism from the American soul, Abraham Lincoln stands as a teacher — not just to his people, black and white alike — but to all humanity."

Lincoln's true quality, the President said, emerged from his refusal to permit "his anguish and doubt to deter him from acting" as he felt he should during the Civil War.

"It has required the hard lessons of a hundred years to make us realize, as he did, that emancipating the Negro was an act of liberation for whites," said Johnson.

Humphrey's statement was in a pamphlet, "Race in a Changing World," issued Sunday night by the American Jewish Committee.

Humphrey called racial prejudice "one of the greatest dangers to human survival today." But he said he also believes that curbing prejudice "is within the realm of possibility — if we accept that goal as one of the compelling missions of our time."

If the United States fails to solve its racial problems, Humphrey warned, "the cause of world peace and freedom will have suffered a serious — perhaps fatal — setback."

WASHINGTON — Emperor Haile Selassie of Ethiopia and President Johnson stand at attention as the national anthems are played during welcoming ceremony at the White

House Monday. Selassie is the second monarch from Africa to be welcomed by Johnson in five days. Last week the President was host to King Hassan II of Morocco. (UPI)

### Hal Boyle's Column

## Valentines Can Help You Jump To Some Conclusions

By HAL BOYLE

NEW YORK (AP) — Jumping to conclusions—and how many do you agree with?

The only way to please anyone over 40 more than by sending him a signed valentine is to send him an unsigned one. He'll feel flattered the rest of the year at the idea someone has a secret crush on him.

The most determined philanthropists in a big city are the drably dressed old ladies who regularly feed pigeons seed or bread crumbs. They'll dare a blizzard to perform this loving chore.

You always feel cheated if you pay \$15 or \$20 for a hotel room, and then find the management hasn't got around to putting a Gideon Bible in the dresser drawer.

Never lend money to a guy who, when he visits the zoo, spends most of his time staring at the creatures slithering around the reptile pit.

Nine out of 10 Americans don't know how to eat a pomegranate.

Whoever invented the miniskirt played the worst joke of the century on women—but the ladies haven't gotten around to realizing it.

You're in a rut if it ruins your day to come to work in the morning and discover someone else has beaten you to your favorite coat hanger.

Most professional midgets are baseball fans, but few take any interest at all in basketball.

You always know you're in an intellectual home if they serve you a cheese fondue for dinner. Only an intellectual could eat that dish and convince himself he'd had a meal.

Whenever anyone gives me for Christmas a pen that can

write in three colors, I take it as a personal challenge to see if during the succeeding 12 months I can find a gift equally useless to surprise him with the next Christmas.

People who wear trifocal glasses generally feel mentally superior to people who only wear bifocals.

It worries a mother if her baby boy has big ears, but a father takes it as a good omen if the lad has big feet.

The brief case is no longer the status symbol it used to be. When you see a guy carrying one now, it just makes you wonder whether he really is an executive or just a fellow carrying his lunch.

Inflation will reach a critical point in America the day hatch-check girls start expecting four bits instead of a quarter.

It is humbling to realize that while man can make a perfect football only God can make a perfect quarterback.

There has been a spate of naughty movies lately, but the industry is probably safe as long as no one finds a way to corrupt the popcorn.

### Warsaw To Receive Development Funds

WASHINGTON (AP) — Funds for two Missouri cities were approved Monday by the Department of Housing and Urban Development.

Delta, Mo., will receive \$4,000 advance to play a water system, and Warsaw, Mo., will receive \$3,000 advance to plan improvements and additions to its sewerage system, and \$2,000 advance to plan improvements to its water system.

## Firemen Rescue 3 Teen-Agers

COLUMBIA, Ill. (AP) — Remembering the lessons of their youth, four firemen crawled 450 feet into a cave at Terry Springs, Ill., Sunday evening and rescued three 16-year-old Missouri boys who were doing a little exploring and got lost.

The three would-be Tom Sawyers were identified as: Patrick Bacon of Crestwood, Mo.; Joseph Shepherd of Concord Village, Mo.; and Wayne Meyer of Sappington, Mo.

They were examined at a hospital and released, apparently unharmed by the ordeal.

Authorities said three St. Louis County men noticed the trio of explorers at the mouth of the cave early Sunday afternoon. About four hours later, as they passed the spot again they noted the car with Missouri license plates was still parked at Terry Spring in rural Monroe County.

The three, Terry Fiedler, William Kesselring and James Lawson, went to the mouth of the cave and shouted. They heard distant answers and went for help.

Four members of the volunteer Columbia fire department, Jim Henderson, 24, Roland Muskopf, 32, James Toenjes, 29, and Eugene Roediger, entered the cave.

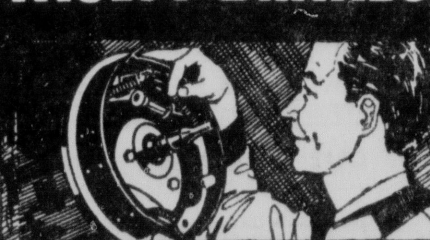

They remembered the twists and turns of the cave from their youth when they too, explored the cave.

The Missouri teenagers told authorities the batteries in their flashlights gave out after they became lost.

## Blitz Information Plan Is Undertaken By 'Chamber'

By JOHN CUNIFF  
AP Business News Analyst

NEW YORK (AP) — New and shifting pressures on the business community, including Americans' rising educational level and the growing number of working women, has provoked the U.S. Chamber of Commerce into a blitz information program.

Beginning today in Greenville, S.C., and Detroit, chamber speakers will visit 35 cities in 32 states in the next six weeks to arouse and educate businessmen to some of these trends and the possible danger in them.

The program, according to the national chamber, is based partly in the fear that today's affluent, well-educated and increasingly young population may be willing to sacrifice some freedom for security.

A result of this—a result the chamber feels is either imminent or already with us—is that the federal government will assume a greater role in business and the economy. This role, by its nature, would be restrictive.

Among the trends changing our society and exerting forces on business, the chamber lists these:

Population — It is changing. Young people will make up the greatest part of a big population growth, especially in the 1970s and 1980s. More workers will be under 25. And the ratio of working women will rise sharply, from about one in four now to around one in two.

If businessmen wish to be heard effectively, they must be aware of and in touch with these new groups.

Education—"In the depression 30s only 3 in 10 were high school graduates. Today the ratio is 7 to 10. With better education, Americans are devel-

oping rising expectations. They have stronger views about standards of performance for business."

These and other forces, the chamber says, create this impact:

"The educated middle class is becoming the new majority. Because the individual in this group enjoys job security and a comfortable income, he thinks of his economic status as the norm."

"This colors his views on social legislation so that he is quite willing to accept government programs for minimum incomes, job security, and more Social Security without considering the effect on the market system."

"Is there a danger," the chamber asks, "that, despite his greater affluence today's better educated American may sacrifice some of his freedom in a search for security?"

A perusal of the chamber's literature indicates its education attempt is broadly conceived, aimed at convincing people that today's society is probably better than tomorrow's might be if we don't watch out.

Few specific alternatives to the threats are offered. The chamber places its reliance on the hope that people educated in free enterprise will defend it.

The chamber says it hopes to arouse and inform businessmen about the key issues. "Concern about the state of affairs is meaningless without enlightened action," it concludes.

### Many Films Exported

ROME (AP) — The Italian Film Producers Association reports that Italy exported 4,295 motion pictures last year. The value of the film exports was listed at \$44 million, up \$4 million from 1965. The association said Asian and African markets showed the largest increases for 1966.

from Seal Beach, Calif. The rocket's first stage, tested at the National Aeronautics and Space Administration's ground test facility here last December has been shipped to Cape Kennedy, Fla. The second-stage tests will be held in March.

## Progress: Elixir of Life

As any progressive citizen should do, we always read in the Democrat-Capitol about proceedings of Sedalia city council but missed inclusion of Industrial Director William H. Hall's monthly report. The only reference to it was this paragraph:

"The Industrial Director's report was given to the city clerk with instructions this be placed on file. It was not read as is usually done."

This was curious. We turned to the front page again and there was found a separate story which the newspapers felt important enough to run, but which council did not think was worth listening to.

Is city council's reluctance to listen to a progress report from its own department head a sign of progress?

Back to the front page again — and the light finally dawned on this enigma of council behavior. There was a headline reading: "News Media Addressed by Dugan."

As a self-appointed civic moralist and Johnny-come-lately to the political scene, Dugan proceeded to pre-empt the time which should have been allotted to Hall's letter, by reading one of his own — a lecture to the news media. He talked to the newsmen as though they were a group of morons who didn't know their professional responsibilities. He inferred that the newspaper was running more advertising than news on bond elections. (We haven't been informed of Junior giving away any paint or wallpaper lately.) Moreover, he got himself into some double-talk when he said "If the news media were for or against does NOT matter . . . and then in the next breath said that what does count is that the news-

papers must take a stand, and he emphasized MUST take a stand either for or against progress of Sedalia.

What Dugan doesn't realize is that the Democrat from its inception in 1868 to the present time has been taking stands on public issues — and also while he was crawling around in diapers and couldn't stand himself.

Back in 1876 the Democrat was championing Sedalia's progress when Junior's great-grandpappy was running a paint shop on West Third street between Ohio avenue and Osage, and lived at 724 West Fourth street, the recent Bichsel residence; also during the time of his granddaddy, Ernest W. Dugan; then his father George E. Dugan—a whole line of Dugans who participated in Sedalia's progress along with the Sedalia Democrat. How else could both businesses have survived if they weren't for progress and did not stand for and against matters of public interest? They must be for progress; they have been and are for progress.

Somehow Junior must have become so oratorically emotional about his personal understanding of how other people should run their business, that he just got swept off his feet for a moment at last city council meeting and momentarily became a platitudinarian.

Be that as it may—George Dugan, Jr., is a good man, just like his forebears.

No charge, Junior, for this free-advertising for the Dugan Paints, Inc., paints, wallpaper and glass at the same location, 116 East 5th, for over 70 years.

Stay right in there and pitch. Tenderly yours,

GHS

## Washington Merry-Go-Round

## Powell Feels Libel Verdict Was Unfair

**J. Edgar Hoover Gets His Man**  
On February 1, 1967, Drew Pearson and Jack Anderson reported that President Johnson had approached former Gov. Grant Sawyer of Nevada who had been defeated after he tangled with J. Edgar Hoover, to become Governor of the Panama Canal Zone and that he had accepted. However, there had been a leak through the FBI in Nevada and it was predicted that Sawyer would not probably not get the job after all.

On Feb. 6 the White House announced the appointment of Brig. Gen. Walter P. Leber as Governor of the Canal Zone.

By DREW PEARSON AND JACK ANDERSON

WASHINGTON — Having written a great deal that was critical about the extracurricular activities of Adam Clayton Powell, the Harlem globe-trotter, it's only fair to balance the record.

It seems to us that Rep. Powell was done an injustice in the libel suit brought by Mrs. Esther James of Harlem, in which she got a total judgment, with penalties, of \$166,000. Of course some of this was Adam's fault, in that he was cavalier with the courts and refused to appear in reply to court summonses. But on the other hand, when you look at the background of Mrs. James, you can understand how Powell felt.

Mrs. James is now living in Montego Bay, Jamaica, and was not available to us for comment. When Walter Cronkite of CBS tried to interview her, his producer was informed by her attorney that it would cost \$2,500 if the interview was given when he was going to Montego Bay, and \$5,000 if given at an earlier date. CBS passed up this expensive opportunity. NBC did interview Mrs. James.

**Mrs. James' Background**  
Mrs. James is a West Indian Negro who came to the United States during the depression and gave four different birth dates to the Buffalo police — Dec. 25, 1903; Dec.

25, 1904; Dec. 25, 1905, and Jan. 4, 1896. The dates were given during six brushings with the law which Mrs. James experienced while living in Buffalo. These arrests, which resulted in one fine and two suspended sentences, were not permitted by the judge to be introduced as evidence in the libel suit which Adam lost.

Most courts permit all evidence regarding plaintiff's career be placed before the jury. This is because when a plaintiff sues for libel it's important to see whether he or she has a good reputation and whether it has been really damaged.

However, Mrs. James's police record was ruled out. We have confirmed the record from the Buffalo police.

It shows that Mrs. James was first arrested Aug. 4, 1933, charged with second degree assault, which in New York is a felony. A grand jury failed to indict.

On Sept. 1, 1933, Mrs. James was again charged with disorderly conduct. The police record shows no disposition of the case.

In 1937, on July 29, Mrs. James was charged with assault in the third degree and was given a suspended sentence. Earlier that month, July 21, she was arrested as a material witness but released.

On Sept. 13, 1937, she was again charged with assault in the third degree and again given a suspended sentence.

On Aug. 2, 1938, she was arrested for disorderly conduct and fined \$10.  
**Who Scalped Esther?**  
The police record of the Bureau of Identification of the Buffalo police gives Mrs. James's photograph and fingerprints. Her name is listed as Estella James, with the following aliases: "Esta James, Esther James, Eshre James."

She also uses the name "Estella Rose Collemore," according to the New York Police Department.

The Buffalo police record states under "Scars and Marks": "Bald spot top head caused by hair pulled out."

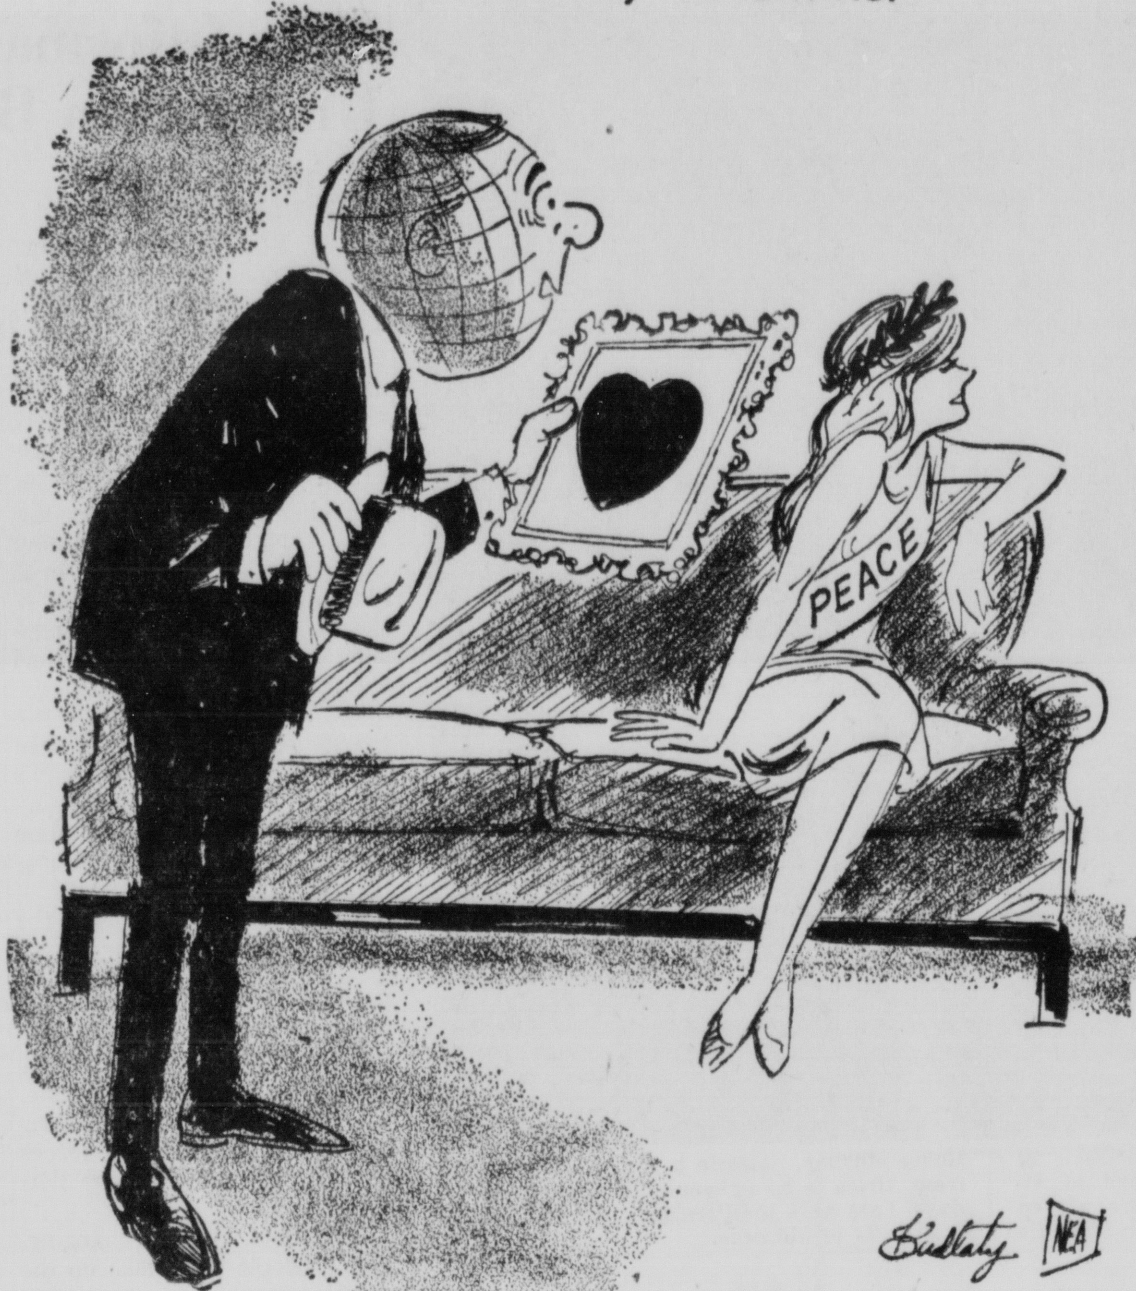

Charles T. McKinney, who defended the case for Rep. Powell, was handicapped by the fact that his client, was as usual busy in Washington and elsewhere. He did not appear in his own defense. Juries are usually charged by the judge that the absence of the defendant cannot be held against him. Attorneys handling the Powell case could not remember whether Judge Thomas Aurielo so charged the jury.

Mr. McKinney at one point moved for a mistrial because a New York newspaper had published the fact that one juror had heard on television that Congressman Powell was going to attend the trial and the juror had announced this to the other jurors. When Powell did not appear, according to the newspaper account, the jurors showed visible signs of disappointment. Judge Aurielo overruled the motion for a mistrial.

Mr. McKinney states that he was rushed into trial without sufficient preparation, and that a postponement was refused on the grounds that the trial judge had already set the case.

All of the above are matters which the congressional committee investigating Powell should check into. It has the power to subpoena records and require Mrs. James to return to the USA from Montego Bay.

## Will You Be My Valentine?

## The World Today

## Strange Coincidence In Lunar Truces

By JAMES MARLOW  
Associated Press News Analyst

WASHINGTON (AP) — The Vietnamese lunar new year — Tet, they call it — is becoming tet-for-tet, with some strange coincidences two years apart.

Twice, just at the end of Tet, Viet Cong terrorists in South Vietnam attacked American military installations.

Twice, after this happened, President Johnson hit back fast by ordering the bombing of North Vietnam.

And twice, although not directly, Soviet Premier Alexei N. Kosygin was involved.

In 1965 the warring sides in truce for the lunar holiday in Vietnam called an informal truce for the lunar holiday in February.

As Tet neared its end the Viet Cong fired mortar shells into the American airbase at Pleiku, killing nine U.S. servicemen and wounding more than 100. That was on Feb. 7.

That same day Johnson ordered retaliation: North Vietnam was bombed. And this, although it wasn't realized at the time, began the U.S. air war on the Communists in the north.

But also on Feb. 7 Kosygin was in Hanoi, the northern capital, where he had just made a speech promising the Soviets would give the North Vietnamese all necessary help.

His presence there, just as American bombers began to strike, put tension on official Washington which didn't want the Soviets in any way to connect the bombing with Kosygin.

## Soldiers Too Fat

COLOGNE, Germany (AP) — Many soldiers in the West German army are too fat, says Dr. Sven Guenther. He said the average soldier eats 4,000 calories a day and that is too much for instructors, officers and clerks. Guenther said young men in basic training might need 4,000 calories, but they would "probably be grateful for an improvement in quality and a reduction in the quantity of food."

## HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITOL

By JIM DAVIDSON  
"Shared Time" Approved  
By House Committee  
Jefferson City, Mo. — The controversial "shared time" bill was passed last week by the House Education Committee by a vote of 15-11.

The bill, a part of the Governor's legislative program, would allow handicapped and educationally deprived pupils in private and parochial schools to attend special classes at public schools.

The vote on the bill was taken behind closed doors.

The bill was passed with one amendment which would stipulate that nothing on the law would lessen the authority and control of school boards over transportation, curriculum and scheduling.

Opponents argued at the hearing last week that such legislation would provide the openings for public subsidy of non-public schools. Proponents argued that all taxpayers should be able to benefit from public schools, regardless of whether it is on a part-time or full-time basis. Missouri law now prohibits a pupil from attending more than one school during the day.

House Education Committee Chairman James I. Spainhower (D-Marshall) said many House members have received mail opposing the bill which he feels is the result of careful study and based on the convictions of their constituents.

He added, however, that some of the mail opposing the bill is due to a great misunderstanding of its provisions in relation to a possible conflict between church and state.

"When people understand the measure, most will recognize the need for this legislation and lend their support," he said. Spainhower is a minister of the Disciples of Christ church and the sponsor of the bill in the House of Representatives.

He feels that a majority of the House will look with favor on the measure, but added that it is too early to make any definite predictions largely because of the controversial nature of the proposal.

**Senator Proposes Circuit Attorney Plan**

The office of prosecuting attorney would be abolished in all 114 Missouri counties and replaced by 30 circuit attorneys elected to four-year terms of office under a bill introduced in the Missouri Senate and supported by Lt. Gov. Thomas F. Eagleton.

Proposed by Sen. Earl Blackwell (D-Hillsboro), the measure would provide for a circuit attorney in outstate Missouri to maintain an office in each county within his circuit and appoint at least one assistant for each county in the circuit.

The prosecutor's title would be changed to circuit commissioner.

The Eagleton bill would not be effective until 1970, so circuit attorneys would not run in presidential election years.

In his farewell address as head of the Missouri Assn. for Prosecuting Attorneys, the lieutenant governor committed himself to work for full-time circuit attorneys throughout Missouri.

This bill would give the circuit attorney the same jurisdiction as the present circuit judge and would be a full-time post, prohibiting the part-time practice of law. Under the bill, circuit attorneys would be paid from the state general revenue fund a salary equal to that of the circuit judges in their district.

**Senate Committee Approves Toll Roads**  
Gov. Warren E. Hearnes's toll

road proposal was unanimously approved by the Senate Roads Committee and was sent to the Senate floor for debate.

Under the governor's bill, Missouri would set up a toll road authority with the same membership as the State Highway Commission but with the addition of the Governor.

The measure permits the highway commission to lease roads from the toll road authority for an amount not less than the obligations against the toll road. This will permit the use of highway funds from sources such as the gas tax to be used to finance toll roads that are not entirely self-supporting.

The bill was amended to require the state authority to pay for the relocation of utilities and the construction of grade separations, rather than assess those costs against utilities and railroads.

**House Receives New Redistricting Bill**

A new congressional redistricting bill was introduced last week in the Missouri House by Rep. J. Anthony Dill (R-Afton). Under his plan, districts would vary from the population norm of 431,981 by only slightly more than one per cent for the largest district, the 1st in St. Louis, to slightly under one per cent for the smallest, the 9th of north-eastern Missouri.

The bill is the closest to be introduced in compliance with the Supreme Court's one man-one vote rule.

Another bill by Sen. Omar H. Avery (D-Troy), with a population variance of about six per cent, is scheduled for its first hearing this week.

## Democrat Pick-ups

The air was a little blue one day in a household, when a man was being unjustly accused of being unfaithful which he resented and yet the wife felt she had evidence.

Usually she sent the washing out but this time her husband found he had no clean shorts. So she told him she would wash a pair out in the bathtub. She ran the water in the tub, put the shorts in and added the washing powder. After they had soaked for awhile she started to wash them out and there in the tub with the shorts was a string of pearls.

"Where did you get these pearls?" she questioned haughtily.

"They are not mine," he came back quickly.

"Well, they are not mine. You must have got them somewhere, she accused. "They weren't there when I ran the water."

"I don't know anything about them," he flared angrily. "I have never had any pearls."

The argument was heated and then the woman glanced at the soap powder box and in big letters across it was "Pearl necklace inside box." — H. L.

## Agreement Is Inked

CAIRO (AP) — Egypt and Poland have signed an \$18 million economic cooperation agreement that will raise the total volume of their trade exchange under a 1964 pact to \$70 million. Poland agreed under the new protocol to build an aluminum plant and a brick factory in Egypt.

DENVER POST: Blackout Not Required.  
— The pronouncements of Justice Tom Clark on the meaning of the U. S. Constitution have official weight and impact only when he delivers them from the high bench in company with his colleagues on the Supreme Court of the United States.

But what he says away from the bench in discussing the practical effect of court decisions on the life of the nation, is not something that can be lightly dismissed by those who are interested in clues to the thinking of the court.

This newspaper, in any case, considers the justice's off-the-bench comments on the right of police and district attorneys to release information about a crime to the press to be not only significant but also perceptive and wise.

In Denver, Justice Clark said no decision of the court — including, of course, the Sheppard decision — prevents police and district attorneys from disclosing information about a crime to the press and the public before there is a suspect in the case.

## Restricted Movement On Moonsite

WASHINGTON (AP) — The President's Space Advisory Committee has recommended that the first American astronauts on the moon be permitted to move around on its surface as little as possible.

In a related claim of caution, a top space agency official denies the moon program is being pushed too fast in order to beat the Soviets.

The advisory panel said excessive enthusiasm and self-confidence by the men on the history-making moon visit must be guarded against because of the major uncertainties of the mission.

"It is recommended that firm restraint be applied in formulating plans for crew activity on the lunar surface during the first attempt," the group said in a weekend report. It also warned against being too early in attempts to establish a permanent base on the moon.

Cochairmen of the committee were Dr. Franklin A. Long of Cornell University and Dr. Lewis M. Branscomb of the Joint Institute for Laboratory Astrophysics in Boulder, Colo.

In a preface to the 99-page report, President Johnson commented that the most careful consideration was needed "because the opportunities in space are great but the costs are high."

The report was finished Jan. 10, more than two weeks before the fire at Cape Kennedy that killed three astronauts in an Apollo spacecraft.

Testimony about the fire given last Tuesday by officials of the National Aeronautics and Space Administration at a closed session of the Senate space committee was released over the weekend.

NASA Deputy Director Robert C. Seamans Jr. testified that the space program was being pushed too fast in order to beat the Soviets to the moon was "completely unfounded."

"We will not conduct manned flights until we have the highest assurance of their safety and success," Seamans said.

Dr. Charles A. Berry, chief of medical programs at the NASA center, said the decision to use a pure oxygen atmosphere in the ship rather than a mixed-gas system which would have been less combustible was based partly on a lack of knowledge.

"At the time of initial Apollo development," he said, "no multigas system suitable for space flight had even been demonstrated. A long development period was avoided by drawing on the technology and experience gained in Mercury and Gemini using a 100 per cent oxygen system."

Seamans told the senators Soviet spacemen breathe an oxygen-nitrogen mixture comparable to ordinary air.

## Congress Voting Record

WASHINGTON (AP) — How Missouri members of Congress were recorded as voting on recent roll calls:

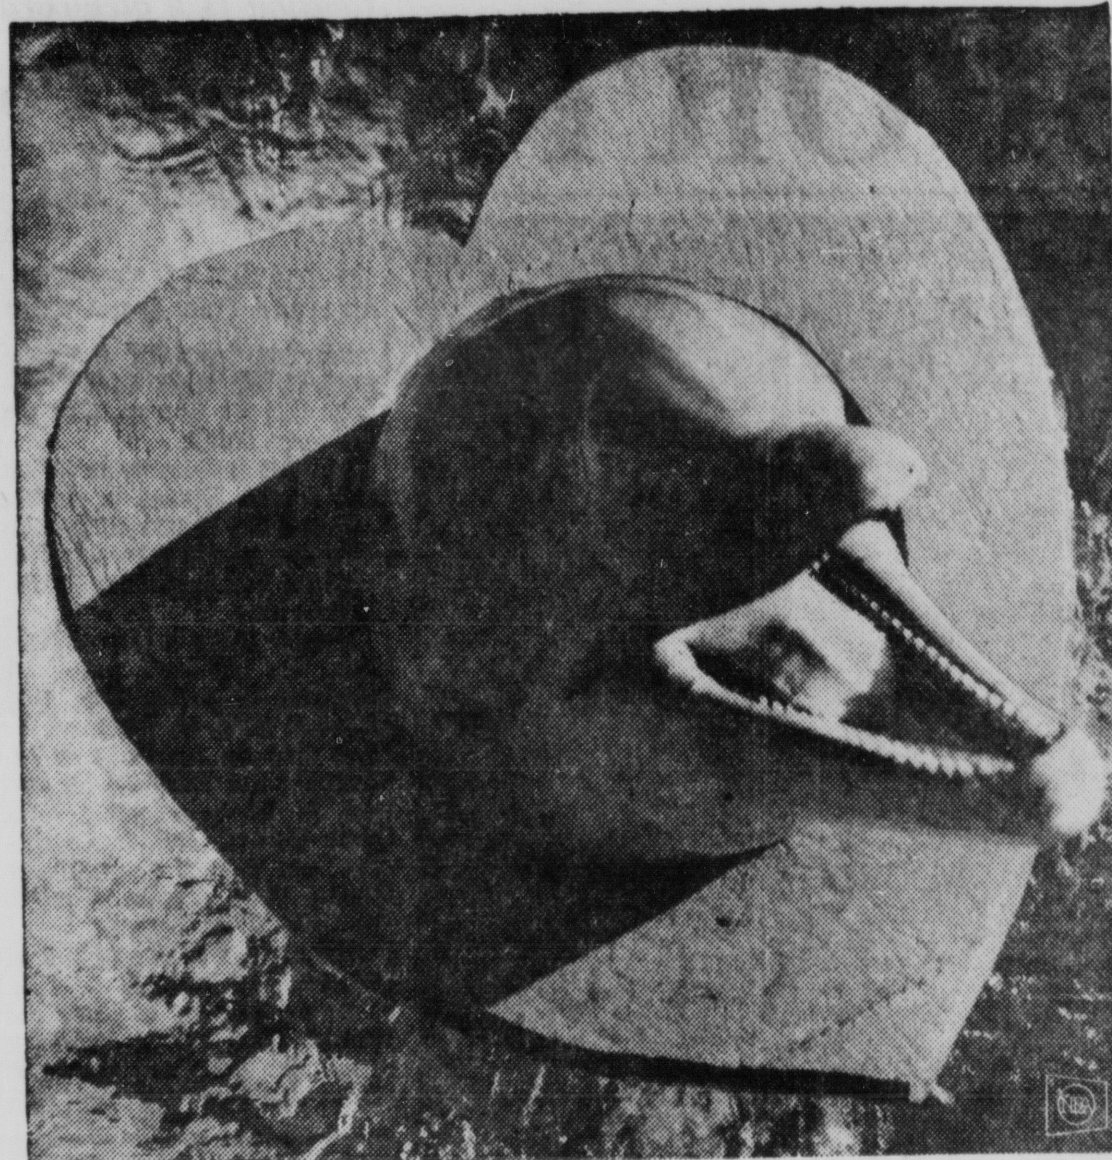

**Senate**  
On adoption, 57-18, of motion by Monroney, D-Okla., to table (kill) amendment by Williams, R-Del., to congressional reorganization bill to require senators and top senate employees to file financial statements and copies of their income tax returns with the comptroller general each year. For the motion: Long and Symington, both Democrats.

On adoption, 45-30, of motion by Monroney, D-Okla., to table (kill) amendment by Clark, D-Pa., to same bill to require senators and top senate employees to make public disclosure of their outside financial interests. For the motion: Long. Against the motion: Symington.

On adoption, 37-22, of motion by Monroney, D-Okla., to table (kill) amendment by Clark, D-Pa., to congressional reorganization bill to prohibit acceptance of gifts valued at more than \$100 by senators and top senate employees. For the motion: Symington. Not voting: Long.

**House**  
On passage, 215-199, of legislation to raise the national debt ceiling from \$330 billion to \$336 billion. For: Bolling, Hull, Hungate, Ichord, Karsten, Randall, Sullivan, all Democrats. Against: Curtis, Hall, both Republicans, Jones, D.

## People In The News

NEW YORK (AP) — A mayor who likes to be an actor and a very bonafide actor helped celebrate Lincoln's birthday by narrating Aaron Copland's "Lincoln Portrait."

New York Mayor John V. Lindsay did his stint Saturday night at Philharmonic Hall. Gregory Peck appeared at the Hofstra University Playhouse, Hempstead, Long Island, Saturday night and Sunday afternoon.

Peck, who has appeared in 37 films, commented: "The hardest part is sitting still 11 minutes resisting the temptation to try and look like Abraham Lincoln."

Lindsay was typecast for the part. He is 6 feet 4 inches tall, the same as was Lincoln. Peck stands 6 feet 3 inches.

SPRINGFIELD, Ill. (AP) — Sen. Everett M. Dirksen joked about his health Sunday at Springfield, Ill., but left the impression he is looking forward to running for re-election next year.

When a reporter asked Dirksen about his health, the Senate Republican leader quipped, "Can't you get a good look at me?"

"I knew I would be asked that question. I even left my cane upstairs purposely," he said.

Then Dirksen quoted Thomas Jefferson's remark about politicians: "Few of them die and none resign."

MIAMI, Fla. (AP) — Dr. John Walsh, brother of the founder of Project Hope, is making his first voyage with the hospital ship S.S. Hope which sailed from Miami Sunday, headed for Cartagena, Colombia.

The doctor, 53, who delivered the children of President and Mrs. John F. Kennedy, said he'll be back in Washington in plenty of time to deliver the expected child of Joan and U.S. Sen. Edward M. Kennedy, D-Mass.

Project Hope was founded in 1960 by Dr. William B. Walsh. It is a floating medical center which delivers land-based teams of physician-teachers to

benefit underdeveloped areas around the world.

DILLSBURG, Pa. (AP) — Fay and Kay Abell are twin sisters, 21, and still do things identically — including accidents.

Fay and Kay, who are secretaries in Washington, D.C., suffered identical broken left ankles Saturday while skiing at a resort near Dillsburg, Pa.

They were treated at York, Pa., hospital and were discharged Sunday. Both wore leg casts.

Fay was identified as a secretary in Vice President Hubert H. Humphrey's press office, and Kay as a congressional secretary.

HOLLYWOOD (AP) — Fred Zinneman has been named best director of 1966 by the Directors Guild of America for his "A Man for All Seasons."

The guild, which represents directors in films and television, also selected Alex Segal as best television director of the year for the CBS special, "Death of a Salesman."

The awards were made Saturday night in Hollywood.

NEW YORK (AP) — The engagement of Joan Dillon, daughter of former Treasury Secretary and Mrs. Douglas Dillon, to Prince Charles of Luxembourg was announced Friday.

Prince Charles, 39, is the younger son of Grand Duchess Charlotte and the Prince of Luxembourg.

HOUSTON, Tex. (AP) — Mrs. Esperanza del Valle Vasquez, the only artificial heart-pump patient to live and resume a normal life, took a six-hour shopping trip Friday in Houston.

Mrs. Vasquez, a Mexico City beautician, was in Houston this week for a routine checkup by the team of doctors who implanted an artificial heart pump six months ago to give her damaged heart a chance to mend.

The women were halted by

## Producers Consider Unionization

By BOB THOMAS  
AP Movie-Television Writer

HOLLYWOOD (AP) — A union for movie producers? At first blush that sounds as likely as organizing U. S. senators or the executives of General Motors.

Yet the Screen Producers Guild has launched an organizing drive and plans to seek contracts with the movie and television companies.

The Guild was founded in 1950 as a professional organization aimed at furthering the prestige of film producers. It did so via a well-edited journal, which dealt with industry topics, the annual Milestone banquet, a code of practices, and other good works.

The Milestone dinner won't be held this spring, because Guild members are devoting their energies to recruiting new members and girding for negotiations with the companies.

The mind boggles at the prospect of a union for movie producers.

Will their contract demand two swimming pools for every member? Will they insist on job security for their relatives? If they go on strike, will they send their secretaries to picket?

Lou Greenspan, the astute executive director of the Producers Guild, is prepared for such jape.

"The producer and the

director are the only ones in the film industry not afforded the use of the NLRB; they are considered part of management," explained Greenspan. "But that doesn't prevent them from organizing to secure benefits, as the directors have done."

Four years ago, the movie producers merged with the TV producers, thus beginning the

## Poise Class Is Well Received By Nuns

LOS ANGELES, (AP) — A teacher of airline hostesses, who guided 48 Iowa postulants through a charm course, says the nuns' response was similar to that of regular candidates for stewardess job.

Mrs. Mavis Kimball coached 200 student stewardesses in gracious behavior for Continental Airlines last year.

Recently she and another airline instructor were invited by the Sisters of Charity of the

trend toward union status. Members began to feel they could secure better conditions of employment, especially in the sometimes jungle-like field of television. The Guild is in the process of changing its name to Producers Guild of America, eliminating the screen connotation to encompass all producers. Associate producers are being recruited as members for the first time.

## AAU-NCAA War Renews

## Two Athletes Claim They Have Both Heard Threats

NEW YORK (AP)—Two Villanova athletes say they have been threatened with the loss of their scholarships and at least three foreign athletes have been barred from the New York Athletic Club games this Friday in the latest flare-up of the war between the AAU and NCAA.

Practically everyone pleads innocence. The athletes are mystified, worried and angry.

It's an old, old story, this fight between the Amateur Athletic Union and the National Collegiate Athletic Association over control of the United States' track and field forces.

It may be settled soon. Theodore Kheel, a New York attorney who was appointed by Vice President Humphrey to head a panel mediating the dispute, said late Monday night that "we have something to say Tuesday."

He did not elaborate. In the meantime, the fight goes on.

The latest episode involves the national indoor championships of the U.S. Track and Field Federation—an arm of the NCAA—in New York last Friday. The AAU did not sanction the meet, and the USTFF did not request one.

So Chris Papanicolaou, a Greek pole vaulter now attending San Jose State, competed in the Federation meet, then was barred from the AAU-sanctioned Los Angeles Times meet last Saturday.

Papanicolaou was not scheduled to compete in New York this week, but three athletes who were scheduled, have been barred. They are Ian Hamilton of Villanova and Benedict Cayenne and Carver King of Maryland State. Hamilton is from Ireland, Cayenne and King from Trinidad. Frank Murphy, another

Irish student at Villanova, also is on the blacklist.

Hamilton and Murphy said Monday night they were threatened with the loss of their scholarships if they did not run in the USTFF meet last week.

"We were told by Mr. Elliott (Villanova coach Jumbo Elliott) two hours before the meet that if we didn't run, our scholarships would expire this summer," Hamilton said.

"In other words, we were threatened," said Murphy.

"The only thing perhaps is

## St. Louis Is Ready For Real Thing

ST. LOUIS (AP)—Spring training is just about over for this winter in St. Louis and Doc Eberhardt says his baseball players are now ready for the real thing.

St. Louis' version of baseball's annual conditioning ritual is operated by W. C. (Doc) Eberhardt, director of physical education at St. Louis University. Since its inception in 1959 for Stan Musial, about 35 St. Louis area baseball players have attended Eberhardt's classes each year.

"Musial had an off year in '59 and wanted to really be in shape when spring training started in '60," Eberhardt recalled. "He said he could only come twice a week. I told him he should come seven days a week if he really wanted to do something. We compromised on five."

Musial testified, "The exercise program is great. It added years to my playing career. Doc is tops."

Eberhardt, 64, who likes to call himself "the dean of radio exercisers," came to St. Louis in 1928. His exercise program is the oldest continuous radio show in St. Louis.

When he started the Musial exercises, Eberhardt first determined what baseball demanded most. "There are three basic ingredients to sports—strength, flexibility and endurance. Baseball demands flexibility most. For baseball our main interest is to make the joints loose and supple, the shoulder, the wrist, the knee and the elbow," Eberhardt explained.

The exercises start with a short warmup—12 laps around the university gym, which adds up to a mile. Eberhardt really puts them to work.

They go through an assortment of leg-pulls, leg pumps, torso twists, arm stretches and various back breakers. In spite of all the grunts and groans, the ballplayers enjoy it.

"I try to inject some humor and comedy into the exercises," Eberhardt says. "They're not much different from college students. Pretty soon they're kidding each other."

But Eberhardt is serious about what he has accomplished with the program. "The biggest factor is the decrease in minor injuries. If nothing else we've cut down on number of twists and sprains—the kind of injury most players get when they're out of shape."

The players are quick to praise the grunt sessions. Art Shamsky of Cincinnati has been a regular the last five years.

"I've been coming so long I've forgotten what spring training is like without the classes," Shamsky adds. "Spring training seems pretty easy since I've been coming here. I'm stiff for the first day and then I'm fine after that."

Eberhardt believes major league teams should do from five to eight minutes of his "suppling" exercises before each game. "The Cardinals' seven minor league clubs last year did the exercises before games."

Eberhardt added, "Five teams won the championship in their league."

Democrat-Capital Class Ads Are Wanted You Can Afford To Hire! Dial TA 6-1000.

that I told them they were under a track grant and that Villanova belonged to the U.S. Track and Field Federation," Elliott said.

"There's been some misunderstanding," said Villanova Athletic Director Art Mahan. "We just don't do things like taking away a scholarship."

The NCAA contends that a moratorium, constraining both sides to refrain from exclusive actions, still exists. The AAU does not agree.

"This (barring of athletes from meets) is a regretful action on our part," said Col. Don Hull, executive director of the AAU. "We did our best to get the meet sanctioned. We cannot understand why they did not ask for it."

In Kansas City, Walter Byers, executive director of the NCAA, said that "the AAU threat of suspension is a direct violation of the U.S. Senate moratorium resolution, a restraint on competition. The threats are an outright power play by the AAU."

## Woman Is Entered In Slot Races

Slot car drivers and spectators from in and around Sedalia gathered Saturday night at Rev-Rac Slot Center, 2513 East Broadway, for the action packed competition.

The heat races got underway at 7 p. m. with 18 men and one woman driver waiting for the signal to race. This was the first time the senior race sign-in has included the name of a woman. This week Mrs. Bill Goldberg tried her hand at competitive driving for the first time, although she has been driving slot cars for several months. Mrs. Goldberg takes pride, and rightfully so, in the fact that she has built up her own car from "scratch" and not only drives it herself but tunes it and keeps it in top repair.

By the time the evening's events were completed, some new names had appeared in the winners' circles. One of the things that makes slot-racing interesting to everyone is that the honors seem to be passed around from week to week and no one driver monopolizes the wins.

This is due primarily to working and experimenting on the part of each individual driver with his car, in relation to the track and his driving ability. The winners for the evening were:

First heat—Randy Kidwell. Second heat—Mike Green. Third heat—Mike Parker. Consolation—First, Danny Hickman; Second, Jim Caton; Third, John Marquess.

B Feature—First, Marvin Nicholson; Second, John Zink; Third, Ward Wollard.

A Feature—First, Fred Smith; Second, Randy Kidwell; Third, Mike Parker.

Trophy Dash—Mike Parker. The junior class were held Friday night and Randy Kidwell made a clean sweep of the first places. The evening's winners were:

Heat—Randy Kidwell. Feature—First, Randy Kidwell; Second, Bob Pledge; Third, Kelly Schib. Trophy Dash—Randy Kidwell.

## 49ers Coach Will Go Back To 'Old' Team

SAN FRANCISCO (AP)—Jim David, defensive backfield coach with the San Francisco 49ers since 1964, will be in Detroit next season, coaching his old team, the Lions.

David, who played defensive back with the Lions for eight years, has resigned to return to Detroit and aid new head coach Joe Schmidt, the 49ers announced Monday.

## Hamm's Beer Team Wins Team Events

The Hamm's Beer team of the Goofers League at Broadway Lanes won the team events in the Sedalia Woman's City Bowling Tournament held at Broadway Lanes Saturday and Sunday. The team is composed of Mrs. Donald (Betty) Potts, 235, 189, 204—628 series; Mrs. Bob (Larry) McCurdy, 171, 152, 158—481 series; Mrs. E. J. (Lucy) Davis, 151, 141, 138—430 series; Mrs. John (Marianna) Pelham, 163, 161, 165—489 series; and Mrs. T. E. (Edie) Simon, 201, 140, 163—504 series. Total scratch score was 2,532 with a 432 handicap, making a grand total of 2964.

The Hillcrest Travelers team had the high series scratch, 2579, and high game scratch with a total of 927.

The following teams won prizes in the team events: Hillcrest Travelers, Traveling League, 2927; Adco, Inc., Goofers League, 2926; The Knockers, Whiteman Outcasts League, 2911; Chapmans, Pincurlers League, 2909; Red Wing Pest Control, Eager Leaguers League, 2880; Holiday Inn, Twisters League, 2874; Hillcrest Lanes, Hilltoppers League, 2868.

Roseland Meats, Goofers League, 2860; KDRO Radio, Streamliners League, 2852; Fitzwilliam Motors, Tuesday Night Mixed League, 2846; Pick-Up White-manetes, Whiteman AFB, 2847; Looney-Bloss, Pincurlers, 2826; Make-Up Ball and Chain, Ball and Chain League, 2808; Flow-ers, Goofers League, 2803; Hillcrest, Stardusters League, 2787.

Schlitz Beer, Streamliners League, 2783; Broadway Lanes, Goofers League, 2787; Budweiser, Twisters League, 2779; Williams Transfer, Friday Nite Ladies, 2775; State Farm Insurance, Friday Nite Ladies, 2772; Dial APCO, Hilltoppers League, 2770; O'Connor Chevrolet-Buick, Early Birds League, 2762; R and R Motors, Twisters League, 2785; Bing's Stardusters League, 2756.

The doubles and singles will be bowled at Broadway Lanes, Feb. 18 and 19.

## Patterson Minimizes His Effort

MIAMI BEACH, Fla. (AP)—Floyd Patterson is an aging boy-wonder with a good left hand and a chin that occasionally succumbs to outrageous fortune.

Patterson's left outranked his chin at Miami Beach Auditorium Monday night as he connected in the third round and laid out little known and even less regarded Willie Johnson of Miami, Johnson, who took a 12-10-1 record into the ring, landed one respectable punch before he exited with 2:05 gone in the third round.

But Patterson wasn't carried away by his performance.

"I don't think I deserve a shot at (champion) Cassius Clay yet," he told a reporter after the fight. Instead he said he planned to fight Thad Spencer either in Stockholm or California.

Patterson said that a Japanese promoter had attempted to arrange a rematch with Clay but that Clay had refused. "I hear that he will fight Zora Foley next," Patterson said.

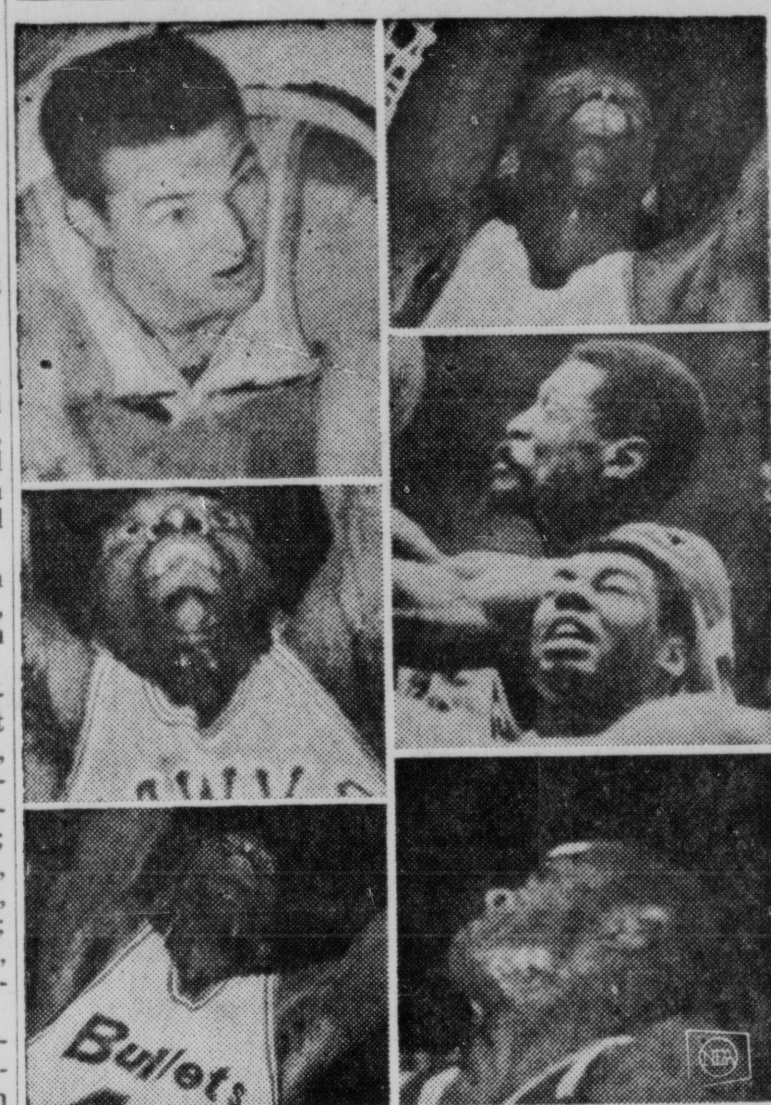

The victory was Patterson's 45th in 50 fights and his second since bowing to Clay in 12 rounds last year in Las Vegas, Nev.

Patterson weighed 196 Monday night and was a half-second slower than a decade before when he defeated Archie Moore for the title left vacant by Rocky Marciano's retirement.

Once the fight game's youngest heavyweight champion and the only fighter to regain the heavyweight title, Patterson has spent more than a few seconds on the canvas since his victory over Moore.

Patterson lost two quick fights to Liston and then dropped the 12-rounder to Clay. After the Clay fight he said he had suffered a wrenched back and had not been at full mobility.

STRAINED FACES are part of basketball. They match the outstretched hands reaching for the ball in the photo layout Wednesday. From top left, clockwise, Jerry West of the Los Angeles Lakers, Walt Bellamy of the New York Knicks, Bill Russell of the Celtics and Oscar Robertson of Cincinnati, Hal Greer of Philadelphia, Leroy Ellis of Baltimore and Bill Bridges of St. Louis.

## UCLA Still Tops

## Four Teams Gain Ground In AP Poll

By BEN OLAN Associated Press Sports Writer

Louisville, Princeton, Western Kentucky and Kansas, four among the ranking teams which eluded an active Mr. Upset last week, have gained ground in the latest Associated Press major-college basketball poll.

Unbeaten UCLA, the only other team in the Top Ten to emerge without a loss last weekend, remained the poll's unchallenged leader. The Bruins, 19-0, were the unanimous choice for first place for the fifth straight week.

Vanderbilt, a top contender in the Southeastern Conference and Syracuse, 17-2, including 10 straight victories in its most

recent games, are the newest members of the first 10. They replaced Providence and Boston College, two among the five ranking teams which were beaten in weekend games.

The Bruins, victors over Oregon State 76-44 and Oregon 100-66, collected all 32 votes for the No. 1 position in the latest balloting by sports writers and broadcasters based on games through last Saturday.

Louisville advanced to the runner-up position after defeating Drake 57-54 and Wichita 90-68. The Cardinals collected 275 points in the voting, based, as usual, on 10 points for a first-place vote, 9 for second, 8 for third etc.

Princeton, which had to claw like tigers to beat Yale 81-80 and Brown 57-54, moved up one notch to third. North Carolina, an 82-80 loser to Georgia Tech, tumbled two places to fourth. The Tar Heels beat Virginia and Wake Forest earlier in the week.

Western Kentucky and Kansas each climbed one position, the Hilltoppers to fifth and Kansas to sixth. Western Kentucky beat Murray 88-79 in overtime and East Tennessee, 65-56. Kansas whipped Nebraska 84-58 and Kansas State 60-55.

Houston, an 87-78 loser to Notre Dame, slipped from fifth to seventh. Texas Western, despite its 69-56 setback by Notre Dame held the No. 8 spot. Vanderbilt, 17-3 including a 10-2 mark in the SEC which places it a half game behind Tennessee, took over ninth place followed by Syracuse.

Providence, ninth a week ago, lost to Niagara 77-76 and Boston College, 10th last week, was upset by Fordham, 85-81.

The Top Ten, with first-place votes in parentheses and points on a 10-9-8-7-6-5-4-3-2-1 basis:

1. UCLA (32) 320
2. Louisville 275
3. Princeton 222
4. North Carolina 203
5. Western Kentucky 180
6. Kansas 167
7. Houston 96
8. Texas Western 55
9. Vanderbilt 51
10. Syracuse 38

## Caution Is Watchword

## Kansas Poses Big Threat In League

By JIM VAN VALKENBURG Associated Press Sports Writer

It's fast becoming a watchword in Big Eight basketball—Look Out for Kansas after the mid-term break.

In three seasons under coach Ted Owens, Kansas is playing .900 ball in the second term, with 18 victories in 20 games, including their last 12 in a row in conference play.

Kansas made it four straight after the mid-term break by whipping Oklahoma State 52-39 Monday night at Lawrence to stay atop the standings at 7-1. Colorado tied Nebraska for second at 6-2 by defeating Iowa State 67-55 at Boulder. Oklahoma was beaten at home by Drake, 76-73, despite 26 points by OU's Willie Rogers.

Fourth-place K-State, 4-3, is at Missouri, 1-7, tonight.

Owens believes in using the second week of the two-week break for extra-hard practices. This time he put his club

through three two-day sessions and they responded with the best first half of the season at Iowa State.

An unrelenting man-for-man defense with frequent half-court pressure has been the big Kansas weapon. It shows up in poor field shooting by opponents. Iowa State hit only 29 per cent of its field shots, Nebraska 29, K-State 31 and Oklahoma State 32 for an over-all 30.2. Kansas hit 46.1 per cent in the same span. Nebraska's 58 points was high.

In the four games the Jayhawks have given up only 50.5 points a game, pushing their full-season average down to 59.1, among the nation's best.

In 1965, Owens' first season at Kansas, the Jayhawks started 3-3, then lost only to champion Oklahoma State twice in the second term. Last year Kansas was 8-0 in league play the second semester.

Oklahoma State was down only 23-16 at halftime, using a deliberate offense to offset a Kansas press.

In the first three minutes of the last half, Kansas used a 10-0 spurt to break it open. The Jayhawks also took charge after intermission in their other three second-term victories.

Colorado's Lynn Baker, back in top form after a mid-season injury, led the Buffs with 22 points and his slick passing led to many goals. Pat Frink's outside bombing gave the Buffs 18 more. Colorado led all the way. Iowa State's Don Smith, the league's top scorer, had 22 points but the Cyclones slipped to 4-6 in league play.

## Tigers Come Home With Victory

The Smith-Cotton Tigers traveled to Hannibal Saturday and brought back a one-point victory for the varsity squad. The B team was not so quite so lucky as the 28-19 decision was in the Hannibal Pirates' favor.

Three varsity starters fouled out in the fourth quarter, just when the action was at a peak. One of them was Sedalia's top scorer, Jim Whitney, who connected for 26 points in the game and has an all season total of 434. The other two foulers were Tom Munson and George Williams.

The Bengals ruled the first period, but Hannibal came back in the second to end the first half at a tight 26-25, still in Sedalia's favor.

Less than one minute had passed in the next half when Hannibal captured the lead and came within a hair of keeping it. Both squads scored 30 points in the half and the battle closed at 56-55 for Smith-Cotton.

Scores by quarters:

Sedalia 14 12 17 13—56  
Hannibal 9 16 13 17—55  
Individual scoring: Sedalia—Robinson, 0-1-1; Bell, 7-3-17; Munson, 2-1-5; Williams, 1-0-2; Whitney, 9-8-26; Postels, 2-1-5. Hannibal—Davis, 3-5-11; Bounds, 2-0-4; Harper, 1-0-2; Bridges, 4-7-15; Foley, 1-4-6; Murphy, 3-11-17.

## Field Set For Action In Matches

SALISBURY, Md. (AP)—With a record draw reduced to the usual 32-man complement, the entire field was to swing into action today in the 64th U.S. Indoor Tennis Championships.

Defending champion Charles Pasarell of Puerto Rico and Cliff Drysdale of South Africa, the top-seeded domestic and foreign players, were among the winners Monday as eight first-round matches were played.

Drysdale swept past Len Shloss of Baltimore, 6-3, 6-1, but Pasarell had a more difficult time before subduing Daniel Contet of France, 4-6, 6-4, 6-4.

In today's second round, Pasarell was to play Graham Stilwell of England, who scored a 6-6, 6-4 victory Monday over Dick Dell of Bethesda, Md.

## Tigers Lose Chance For Third Place

The Smith-Cotton Freshman basketball squad lost their third place tilt in the Clinton tournament Saturday to Knob Noster, 37-35. The Tigers received fourth place honors in the tournament after being upset by Clinton in the semi-finals and losing the close one to the Panthers in the battle for the number three spot.

The Tigers started off slow when the Panthers hit their pace and fell behind by four points. Determined not to let this game turn out like the semi-final contest, they came back in the second period to make up three of the four point deficit to go into the locker rooms behind only by one point, 18-17. Still as determined, the Bengals started out the second half like they had ended the first and made up the final point and ended the period tied, 27-27. The fourth and final quarter started off like a death match with both teams remaining even. In the final 40 seconds the Panthers turned on some new-found steam to hold the Tigers two points down and give the Tigers their fourth seasonal loss.

The Freshman Tigers have only one game remaining on the schedule.

## 76ers Not Hearing Any Footsteps

PHILADELPHIA (AP)—Coach Alex Hannum says his Philadelphia 76ers aren't hearing any footsteps.

"I expect to win the Eastern Division by at least five games," Hannum said Monday night after the 76ers snapped a two-game losing streak by defeating Cincinnati 131-123 in a National Basketball Association game as Wilt Chamberlain led the way with 58 points.

Hannum refused to even worry about a schedule which has his team playing 14 of its last 19 games on the road.

"Nuts to the schedule," Hannum exclaimed. "We have worked all season long to get six games ahead of Boston by good play on the floor. That's the way we'll stay there. I don't care whether the games are on the home or on the road. 'We'll win it.'"

The 76ers' coach bristled when it was suggested that his team has been in a slight slump. The 76ers have lost six of their last 13 games, as compared to a 46-4 record when the slide began.

Hannum was extremely pleased with Chamberlain's 58-point performance. He collected 26 field goals and six free throws to set a new 1966-67 individual season high. Rick Barry's 57 for San Francisco last October was the previous high.

"I'm happy to see Wilt offensive-minded," Hannum said of Chamberlain, who most of the season has sacrificed his scoring prowess to concentrate on team play.

Chamberlain was devastating in his one-man show against the Royals Monday night, driving toward the hoop with his patented dunk shot. It was the 113th time in his pro career that he had topped the 50-point mark in regular season play.

In defeating Cincinnati for the sixth time in seven meetings this season, Philadelphia took the lead with 37 seconds left in the first quarter and never trailed.

Jerry Lucas drilled in 29 points to pace the Cincinnati attack. Adrian Smith added 24 and Oscar Robertson 23.

In the only other game Monday night, Zelmo Beatty scored 25 points and Len Wilkens and Joe Caldwell 23 each in leading St. Louis past New York 139-109 at Memphis, Tenn. Willis Reed led New York with 18 points.

## Drysdale Ready For 1967 Season

LOS ANGELES (AP)—Durable Don Drysdale's getting a running start at the 1967 baseball season, feels fit and thinks the Los Angeles Dodgers will repeat as National League champions.

The 6-foot-6 right-hander signed his new contract Monday for what he and Dodger officials said was for an income in six figures. It was reported at \$105,000 or a \$5,000 cut from his 1966 pact.

The 11-year Dodger veteran, together with Sandy Koufax, held out in contract negotiations last year until March 30. Drysdale finally got \$110,000 and Koufax settled for \$125,000. Swift Sandy, 27-game winner last season, has now retired because of an arthritic elbow.

Overweight and undertrained, Drysdale got off to a poor start last season and finished with a 13-16 record. His late season performances were impressive, though, and were instrumental in bringing the Dodgers the National League pennant.

"I lost 10 or 12 pounds this winter and I feel real good," Big D said Monday. "I've been working quite a bit around my (San Fernando Valley) place and mainly watching my weight."

The Dodgers depart for their Vero Beach, Fla., spring training ground Feb. 25. The group will look considerably different from last year's.

REBOUNDING for Kentucky is Pat Riley (42). Pat, though just 6-3, is the Wildcats' leading rebounder.

## Springfield Assured Of At Least Tie

By THE ASSOCIATED PRESS

The Springfield Bears have clinched a tie for the MIAA basketball championship.

The Bears made their league record 8-0 Monday night with a 94-46 runaway over Maryville State, which finished its league schedule in last place at 1-0.

Springfield would have to lose its last two games and Cape Girardeau, now 6-2, would have to win twice to share the title.

The Bears put on an awesome display at Maryville, outscoring the Bearcats 53-13 in the last half. Springfield shot 62 per cent from the field. Dan Bolden led the charge with 21 points and 18 rebounds.

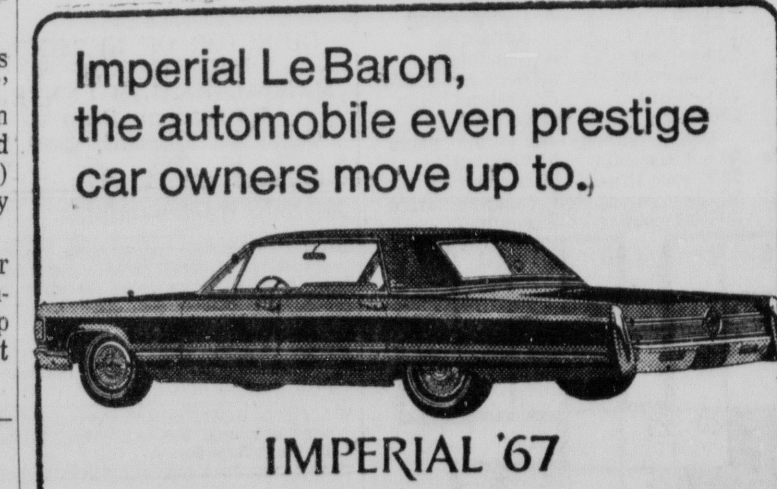

The Kirksville Bulldogs finished in third place at 5-5 with a 76-72 victory over Warrensburg and Rolla are tied for fourth place at 3-5 and have two league games left.

Dave Wild hit 32 points for the Bulldogs, and Ron Mooney of Warrensburg counted 28. The Mules came within two points five times in the second half, but that was all.

The Lincoln Tigers ran over Pittsburg State 122-83 at Jefferson City, hitting 57 per cent of their field shots. That increased Lincoln's average to 107.1 points per game. It's record is 21-2. Seven Lincoln players—four of them reserves—made 10 or more points.

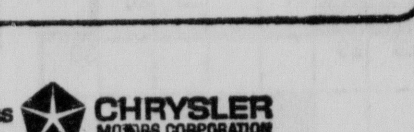

Rockhurst will play at William Jewell tonight, while Graceland is at Iowa Wesleyan, and Southwest Baptist goes to Phillips University in Oklahoma.

## Two Valley Teams Split Cage Games

By THE ASSOCIATED PRESS

Drake out-rebounded Oklahoma at Norman and won 76-73, while St. Louis controlled the backboards at Chicago Loyola and lost, 88-83. The split left Missouri Valley basketball teams with a .722 winning percentage against outside foes.

Drake outmuscled the Sooners 48-36 with 6-foot-7 Gary Lovemark grabbing 18, and took control by 10 points at halftime. Lovemark also had 13 points.

Big Bob Netolicky scored 20 and Willie McCarter 21 for the Bulldogs, while Oklahoma was led by Willie Rogers with 26. The victory gave Drake an 8-13 season record, but Maurice John's club is 5-6 outside the league.

St. Louis, tied with Drake for last in conference play, dropped to 10-11 for the year, but the Bills are 7-4 against non-conference teams.

Loyola offset St. Louis backboard play by hitting nearly 50 per cent of its field shots, including a sizzling 65 per cent the first 11 minutes in building a 31-15 lead. St. Louis finally pulled within three, 84-81, but the Ramblers stalled the last three minutes.

Jim Tillman, Loyola's gifted pivot, scored 35 points while 7-foot Rich Niemann led St. Louis with 24.

## AFL Plans To Expand To 10 Teams

MIAMI BEACH, Fla. (AP)—The American Football League will expand to 10 teams by June, and Cincinnati reportedly has the inside track for the next franchise. League owners meeting here also have discussed moving the annual Super Bowl game to Miami.

Cincinnati, Birmingham, Ala., Seattle, Wash., and Phoenix, Ariz., were cities mentioned most prominently to become the league's 10th team. The owners also gave President Milt Woodward a three-year contract Monday.

Woodard's salary was not disclosed, but the contract would keep him in office until the merger of the AFL with the National Football League is completed in 1970.

In other business, the owners voted to open the upcoming season a week later than usual in order to avoid baseball scheduling conflicts at parks where the games will be played. The season will end Dec. 24.

Many owners were concerned about the relatively poor turnout at the initial Super Bowl game at Los Angeles. Only 63,036 fans turned out for the game in the mammoth 100,000-seat Los Angeles Memorial Coliseum.

Commissioner Pete Rozelle was present as the owners discussed the possibility of moving the Super Bowl game to Miami where the Orange Bowl is being expanded to seat 75,000.

The owners later turned their attention to a combined draft. Woodward said they cannot set a date until the NFL examines the recommendations in a Honolulu meeting. He said the draft will be held in New York as soon as possible after the NFL session.

Woodard added there was strong sentiment among the players for an AFL-NFL All-Star game next January to replace the present arrangement of separate league All-Star contests.

## Barry Is On His Own In Games

NEW YORK (AP)—With big Nate Thurmond unable to lend a hand, the San Francisco Warriors are hurting and Rick Barry is on his own.

But Thurmond's broken hand hasn't stopped Barry from making his points.

Although the Warriors dropped all four of their National Basketball Association starts last week—the last two after 6-foot-11 Thurmond was sidelined, Barry increased his individual scoring lead and climbed over the 2,000-point mark.

The San Francisco sharpshooter scored 169 points, including a weekly high of 49 Sunday at Detroit, and boosted his per-game average from 36.0 to 36.4. He has a total of 2,147 points and a margin of 423 over runner-up Oscar Robertson of Cincinnati.

Philadelphia's Wilt Chamberlain, meanwhile, continued to sparkle in every department except foul shooting.

By MIKE RECHT  
Associated Press Sports Writer

Western Kentucky might be a slow starter, but not even unbeaten UCLA is finishing faster.

The Hilltoppers started the season with a losing streak of one straight and have been stretch running ever since.

Their finishing kick carried them to a 19th victory in a row Monday night, an 80-71 decision over Tennessee Tech, protecting their new No. 5 ranking among the nation's major college basketball teams.

Even the top-ranked Bruins can't top that string with their 19-0 record.

Two other top ten teams, Kansas and Houston, also ran well.

The Jayhawks, now No. 6, overcame a slight delay in the last half and stopped Oklahoma State 52-39 in a slow-moving contest at Lawrence, Kan.

Houston, which dropped to seventh after losing Saturday, wiped off some of the tarnish by tumbling Creighton 87-80 at Omaha.

It appeared that fast-moving Western Kentucky might pull up lame in their stretch drive when

it lost high-scoring Clem Haskins to injury last week, but it has not slowed the Hilltoppers yet.

Butch Kaufman and Greg Smith took the reins during an 11-4 outburst in the last 2½ minutes that broke Tech's back at Bowling Green. Smith finished with 24 points, Wayne Chapman 22 and Kaufman 20.

The Hilltoppers still have five games left, all against teams they have already beaten.

Kansas protected its narrow Big Eight lead and ran its record to 16-3 over-all with a 10-0 spurt opening the final half of a 33-16 lead that was never threatened by the Cowboys' deliberate game.

Elvin Hayes led Houston to its 17th triumph against three losses with 38 points, offsetting 35 by Creighton's Bob Portman.

In Chicago Areas

## 'Moderate Integration' Movement Being Planned

OAK PARK, Ill. (AP) — A citizens committee plans a "moderate program of integration" in two prosperous Chicago suburbs, which it says would preserve the character of the area and bring in more Negro families.

The Oak Park-River Forest Citizens Committee for Human Rights announced the plan Sunday — the birthday of Abraham Lincoln, the Great Emancipator.

Oak Park now has 11 Negro families in a population of 63,000, and River Forest is all white.

Stewart Roberts, chairman of the committee, said the group's goal is to bring one new Negro family into the area each month.

"This sounds like a modest goal," he said, "but it would double the present Negro population. We want to maintain our community as happy and prosperous."

The program was kicked off with about 50 Negroes touring stylish homes, bungalows and apartments in the two tree-lined suburbs, not to buy but to be "sold" on the advantages of living there.

"We're persuaded that if we can bring in a reasonable number of financially qualified Negroes, we will make it much more difficult for the people who want to break the blocks," said Roberts, referring to the panic selling sometimes induced by some real estate agents

when a Negro moves into a block.

When the tour was over, some of the families said they were impressed. Others noted they had merely come to look.

"We're looking for a home in the \$20,000 to \$25,000 class," said one Negro. "We've seen some nice homes here. I think we might like to live in Oak Park."

A Negro woman, who has lived with her family in Oak Park for several years, said a number of real estate sellers told her nothing was available when they learned she was Negro.

"Finally," she said, "we had to have a white couple buy the house for us. That was the only way."

"We are pretty well accepted now," she said, "but there are still occasional hate letters and some neighbors won't speak to us."

Dr. Percy Julian, a research chemist and president of Julian Laboratories, also lives in Oak Park. When he moved there 12 years ago, a fire bomb was hurled through his window and a "church vigilante group" guarded Julian's home for more than two months.

Harris Stevens, Oak Park vil-

lage manager, said the attitude of the village board "is that if nonwhite families want to move in, we will not discourage them."

"There were civil rights marches in Oak Park every Saturday last summer," he said. "Of course, we want to avoid them this summer," he said.

The prosperity of the two suburbs is reflected in per capita incomes. In Oak Park the per capita income averages \$4,500 or \$13,000 per household. The figures in River Forest are \$6,422 and \$22,910.

Roberts, whose Frank Lloyd Wright-designed home is across the street from Dr. Julian's residence, describes himself as a conservative on civil rights.

But he said: "Negroes who have moved to Oak Park have done a tremendous amount of good. For one thing, they have helped eliminate the crazy stereotypes some people have about Negroes."

## Francis 'Muggsy' Spanier, Jazzman, Dead

SAUSALITO, Calif. (AP) — Francis Joseph "Muggsy" Spanier, a frail cornet player who cast a personal and distinctive Dixieland jazz sound, is dead at the age of 61.

A heart ailment that had previously stricken him in 1938 was blamed for his death in his sleep Sunday.

Muggsy was born in Chicago and idolized King Oliver's Creole Jazz Band which he heard there when he was still young. For 35 years he cherished a cornet mouthpiece given him by King Oliver.

With Ted Lewis, Bob Crosby and Earl "Fatha" Hines, Muggsy played the old tunes, the old ballads, the sentimental songs. "Big Butter and Egg Man," "Lonesome Road," "Someday Sweetheart," and "Sister Kate" were some of his memorable recordings.

While touring with Lewis,

Muggsy cut a record in 1931 of "Dip Your Brush in Sunshine." Muggsy's horn growls and snarls and sings on the cut, and in the background Lewis calls out, "Paint it blue, Muggsy, paint it blue!" He was with Lewis from 1929 to 1936.

In 1939 he formed Muggsy Spanier's Ragtime Band, a wild jazz group that recorded 16 classic sides for Bluebird Records. Later Spanier recorded for Decca, Mercury and RCA Victor.

In 1950 Spanier married Ruth O'Connell, the widow of a Chicago banker, who had two sons, Tom Gries, a film director, and musician Buddy Charles Gries of Chicago.

Tom Gries said Spanier was

64, although Who's Who lists his birthdate as Nov. 9, 1906.

Spanier spent three months in the hospital following his collapse due to a heart ailment in 1938.

"Relaxin' at the Touro," one of his great jazz records, marked his recovery. For the next 29 years he played eloquent cornet.

Again, in 1964 during a tour with a band he had taken to the Newport Jazz Festival, his

heart troubled him. He recovered in New Orleans but the seizure forced his seclusion in Sausalito.
